LAWS AND REGULATIONS

OF THE

UPPER CANADA BIBLE SOCIETY,

As adopted at a General Meeting of the Society, held in the City of Toronto, on the 3rd day of August, 1855, and amended at General Meetings held on the 13th day of April, 1880, 18th day of November, 1887, 30th day of May, 1895, and 6th day of May, 1902.

[UNDER THE ACT OF INCORPORATION.]

- ARTICLE I. This Society shall be denominated the "UPPER CANADA BIBLE SOCIETY," having the same object in view as the British and Foreign Bible Society—that is, the circulation of the Bible without note or comment.
- II. This Society shall endeavor to unite all Bible Societies in the Province, and to concentrate their operations, in order to give more efficiency to the whole.
- III. This Society shall maintain, in the City of Toronto, a general depot of Bibles and Testaments, from which all Societies in connection with it shall be supplied with the Scriptures at the lowest price at which they can be afforded.
- IV. The business of the Society shall be carried on by a Board of Directors, to consist of a President, Vice-Presidents, Treasurer and Secretaries, and a representative from each Branch, as provided in Article V., together with twenty clerical and twenty lay members, so selected as to give the Board always, as before, a representative character as regards the principal religious bodies interested in the work of the Society, five of whom shall form a quorum. The three clerical and the three lay members who shall have attended the least number of meetings of the Board, shall not be eligible for re-election, except in cases where the non-attendance has arisen from illness, or absence from the city, or where the member has been present at not less than five (5) of the regular monthly meetings of the Board, etc., in which case the Board may nominate such member or members for re-election.

- V. Each Branch Society shall be entitled to a representative on the General Board. The President of the Branch shall be ex officio such representative, or any other resident member whom the Committee may appoint as substitute, who shall be a member of such Branch.
- VI. At any meeting of the Directors the President, or in his absence the Vice-President, first upon the list then present, and in absence of such Vice-President, the Treasurer, and in his absence such member as shall be chosen for that purpose shall preside.
- VII. Each person paying annually one dollar shall be a member of this Society; and persons paying fifty dollars at any one time, either to this Society or to any of the Branch Societies in connection therewith, or through them to the British and Foreign Bible Society, or who may have rendered important services, shall, at the discretion of the Directors, be declared Life Members.
- VIII. Each Life Member of this Society shall be furnished with a certificate of membership, under the corporate seal of the Society, duly signed by the President and Secretary.
- IX. The Board of Directors for the time being shall have the appointment of the Permanent Secretary, Agents, Depositary, Colporteurs, Bookkeeper and assistants of the Society, and the fixing of all salaries and allowances, and shall have the superintendence and management of all the property, real and personal of the corporation, as well as the management and control of its general affairs and the appropriation of its funds with full power to enact such rules as may be requisite to effect the objects contemplated by the Act of Incorporation.
- X. The Board of Directors shall meet for the transaction of business on the third Tuesday of each month, at the hour of 7.30 p.m. Special meetings may be called by the Secretaries at any time, at the request of the President or any three Directors.
- XI. The financial year of the Society shall end on the 31st day of December, and the annual general meeting shall be held on the last Tuesday of January, or at such other time as the Directors for the time being may deem best in the interests of the Society; when the officers and Directors for the ensuing year shall be chosen, a report of the operations of the Society during the foregoing year shall be presented, together with the Treasurer's and Depositary's accounts duly audited. Special general meetings may be called at any time by the Board.

- XII. In case of death or removal of any Director or efficer during the year, the Board shall at the next ensuing meeting thereof fill each vacancy.
- XIII. The Permanent Secretary shall have the custody of the Corporate Seal of the Society; and all instruments requiring to be executed under such seal, shall be signed by the President and Permanent Secretary, and any instrument which operates as a release of a money claim shall also be signed by the Treasurer. In case, on account of the absence from the city, or the illness of any of the officers whose signature to any instrument is required under this rule, such signature cannot be conveniently obtained, such instrument may be signed in his or their stead, by such other persons as the Board may from time to time direct. The President, Treasurer and Permanent Secretary, shall upon the receipt of any legacy, or other moneys payable to the Society, have authority, without a special direction of the Board, to execute under the Corporate Seal, any release or acknowledgment in respect thereto, which they deem necessary or expedient.
- XIV. No alterations on these By-laws shall be made except at a General Meeting of the Society, and after one month's notice of the proposed alterations has been given to the Board.

GRANTS TO SUNDAY SCHOOLS AND MISSIONS.

- r.—Mission Churches and Schools under denominational auspices, are not in general to be considered fit objects for the gratuities of this Society; but Missions among Indians, Jews, French Canadians, Chinese, Italians, &c., though under denominational auspices, are not to be taken as coming under this general rule.
- 2.—All applications for grants of Bibles to Sunday Schools or Misslons should be made upon the forms heretofore prescribed, which will be furnished by the Secretaries. The applicant shall state the condition of the school or mission, the number of scholars and teachers, or, of the attendants, as the case may be; the amount of funds at the disposal of the managers; who are its officers; and why it is necessary to make such application. SIXTY-SEVENTH ANNUAL REPORT

OF THE

UPPER CANADA BIBLE SOCIETY

JANUARY, 1907

The Upper Canada Bible Society continues from year to year its imperative work of circulating the Word of God, at home, and assisting the work of the British and Foreign Bible Society abroad.

The sacred writers use many beautiful and sublime symbols, such as the "water of life," the "living water," "A river, the streams of which make glad the city of God," etc., to illustrate the truths as found in the Holy Scriptures.

Our report is simply a reference to the manner in which the precious "water of life" is carried through various channels to many lands.

The blessing of God has rested upon the work of the Society in the years gone by, and with gratitude to God, we desire again to acknowledge His guiding hand during the year just closed.

As stated in our report for the previous year (1905) our territory has been diminished in consequence of the formation of a new auxiliary at Winnipeg, to which this Society transferred about one hundred branches, and five colporteurs in Manitoba and the North West; also owing to the loss of some branches transferred to the Ottawa Auxiliary. All are now working harmoniously in accordance with the scheme of the Canadian Bible Society.

Notwithstanding our circumscribed territory, a reference to our statistics shows that the revenue from all sources has been well maintained by the friends of this Society.

The citizens of Toronto have constantly urgent claims upon them for assistance in the support of many and worthy schemes for benovelent and Christian work, not only within the city but all over the Dominion, consequently the contributions to this Society, though in many cases generous, have not been commensurate with the ability of the people, nor with the magnitude and importance of the work and the pressing needs of the world, however a marked increase was made last year, and it has been decided that a more vigorous canvass of the city will be made by the collectors during the ensuing year with the object of stimulating the interest of the community in this work.

Hospitals, prisons, etc, have been liberally supplied with Bibles, Testaments or portions of the Scripture for the use of the patients.

On the opening of navigation, your Permanent Secretary visited and renewed the supplies of Bibles (in large type) on all the passenger steamboats plying to and from this harbor, while each fire hall and car barn was similarly supplied with Bibles for the use of the employees in their leisure hours. All those gifts were cheerfully received.

Twenty-two Branches either new, resuscitated or transferred have been added to our list.

Five colporteurs were engaged during the summer months, principally in Algoma and New Ontario, where colportage work was energetically carried on.

The total issues of the Scriptures from the Toronto Depository during the year 1905 was 35,821 copies, 5,328 of which were circulated by our colporteurs.

Since our last anniversary death has removed from our midst one of our honored and valued Vice-Presidents, in the person of Rev. W. R. Parker, D.D., who departed this life on 3rd May last. Dr. Parker's gentlemanly bearing and efficient work in connection with this Society commended him to the confidence and esteem of every member of the Board. For more than eighteen years he has been a Director, and latterly a Vice-President of this Society. attended the meetings with commendable regularity, and took an active part in discussing questions that came up for consideration. During several years he acted as Provisional Agent of the Society, and in that capacity rendered decided help in deepening interest in the cause among many of the Branches. His last important service for the Society was as Chairman of the Committee on Agency and Colportage. His failing health prevented attendance at the closing meeting of the year, and almost as soon as a successor was appointed he was called to a higher service. "He now rests from his labors, and his works do follow him." The Board desires to express sympathy with the bereaved members of the family, and prays that the God of all comfort may sustain them in their hour of trial.

Some one has said "The Scriptures should be translated into all languages—how, otherwise can they speak to every man's conscience and heart?" From latest reports we learn that our parent, the British and Foreign Bible Society is earnestly and vigorously engaged in that task, and we can praise God with wonder and thankfulness because some portion of His book lies open, in over five hundred (500) different languages of the world, which are understood by quite seven tenths of mankind.

Eleven new languages were issued during 1905 (till 31st March, '06) viz: 4 to Asia, 3 to Africa, 3 to Ocenia and 1 to America.

The list of versions in which it has already helped to translate, print or distribute the Scriptures, includes as many as four hundred (400) different forms of speech. One hundred and two of these languages now possess the complete Bible, and to-day the British and Foreign Bible Society is more deeply engaged than ever in its sacred enterprise.

Last year the Society issued over 5,977,000 copies of the Scriptures, complete or in parts. This total is 119 808 more than 1905, and is 33 678 copies in excess of the highest annual total ever attained by the Society.

In the Holy Scriptures we have given to us a wonderful and inexhaustible river of Divine truth, containing promise and precept suitable for all the circumstances of our lives. Do we realize the responsibility and if so, shall we not drink of this "living water" ourselves and give it to others that they thirst not, and that this truth may be in them "a well of water springing up into eternal life."

In concluding, may we remind the friends of our Society of the importance of the present moment for Bible Society work.

We have read somewhere the legend of one who, day-dreaming in his chair, beheld a vision, which stood before him and beckoned him to follow her to fortune. He waited sluggishly; heeded not her call nor her beckoning, until at last she grew dim and disappeared. Just as the vision faded, he sprang to his feet and cried out, "Tell me who thou art," and received the answer, "I am Opportunity; once neglected, I never return."

It has been imperatively urged, and with good reason, that if the various branches of the Church of Christ neglect their opportunity now in the great North-West, they will in a very few years be too late to fulfil their mission there. With equal imperativeness it can be asserted that if the Bible Society does not respond to the utmost of her ability to the urgent cry which comes from these fast-filling stretches of our wide Dominion, in a very short time this door of opportunity will have closed, and closed perchance forever. A new nation needs, above everything else in its formative period, the Word of God.

REPORTS OF AGENTS.

REV. DR. CORNISH.

MINESING, Oct. 14th.—The officers and friends connected with this Branch, having requested your Agent, if possible, to arrange for a Sabbath anniversary service, Sunday, Oct. 14th was chosen. In the morning a drive of five miles found your Agent at Edenvale Presbyterian church, whose people co-operate with the Minesing Branch, but had not previously been visited by an agent of the Society. We had a good congregation and a liberal collection for the funds of the Society. The evening service was held in the Minesing Methodist church. A full house greeted the Agent who occupied fifty minutes in setting before them the work and claims of the Society. The venerable Joseph Orchard for the 24th time presided, and was again with the other officers re-elected. This proved to be one of the best branch meetings I have held. At the two services we had the privilege of addressing ten times the number of people that we should have had at the ordinary weeknight service. Good results must follow.

ELMVALE, Monday, Oct. 15th.—Meeting held in Presbyterian Church. The President, Mr. F. E. Shaw, filled the chair and conducted the inveting with efficiency. Rev. Geo. McKay, pastor of the church, assisted by Rev. T. W. Leggott Methodist, conducted the devotional exercises, and subsequently spoke words of commendation for the Society. After the Agent had spoken about the grand work and strong claims of the Society a collection was taken, and there is promise of an advance in the contributions.

PENETANGUISHENE, Tuesday, Oct. 16th.—In the afternoon the Agent visited the Depository, and called upon the pastors of the town and also visited the High School and addressed some of the pupils on the Bible and the work of the Society. The meeting was held in the Presbyterian church. Rev. F. W. Gilmour, pastor, Rev. A. R. Sanderson, Methodist and Rev. H. M. Little, Anglican, all took part in the meeting and your Agent gave a lengthened address on behalf of the Society's work. We confidently look for an advance over last year in the contributions of this branch.

GUTHRIE, Sunday, Oct. 21st—This Branch includes Central Presbyterian church, about 3 miles from Guthrie, so at the request of the pastor, Rev. N. Campbell, we went there for the morning service and found a large and devout congregation, to whom we spoke on the work and claims of the Bible Society. A liberal collection was given for the funds of the Society, and the way opened for the collectors to be more successful in securing the contributions of the people. At 2.30 p.m. your Agent addressed another large and interested congregation in the Presbyterian church from Psalm 44: 1, and reviewed the grand work of the Society

about which our fathers have told us, its wonderful wide spread results in our own times, and its consequent strong claims upon the churches of the present day. A liberal collection was taken, and here also the outlook for increased contributions is good.

ORO STATION, Sunday, Oct 21st.—Auniversary service held at 7 p.m. in the Methodist church. A union of Presbyterian and Methodist congregations gave us a full house and one of the best anniversary Bible meetings held in this Branch. The old officers were re-elected. Our work lies very near to the hearts of the people of this community and will doubtless receive their generous support as in former years.

REV. P. W. CURRIE.

RIDGEWAY, Sept. 19th.—The opening meeting was held here partly because the Agent for last year had not been able to visit this branch, and partly because they were best prepared to hold their meeting. This was held in the Memorial Methodist Church, with both pastors of the village present to show their interest in the work. This is an active Branch, though not a large one, and is well officered. The Depository is in good hands, Dr. Brewster, who has served the Society for 37 years.

With a good staff of officers this Branch will continue to prosper, the past year having been the best in its history. A strong staff of collectors will work this territory thoroughly, and we expect that the best reports from this Branch are still in the future.

MARSHVILLE, Oct. 2nd.—The annual meeting was held in Christ Church. As the pastor, Rev. D. R. Smith was unavoidably detained in Port Colborne, your Agent opened the meeting with devotional exercises. The Reverends Cameron and Edwards each apoke briefly upon the greatness of the Society's work. Mount Albert considering its size is one of our most promising branches, and the sales at

ZEPHYR, Nov 27th—Meeting in the Presbyterian Church. The audience was good. The President being away, and the Secretary-Treasurer having moved away and both ministers having other engagements the Agent had to take charge of the meeting. A great deal of interest was manifest, and when the Agent told the people of the steady withdrawal of Depositories in old sections of the country that were in close proximity to Depositories in large centres like Kingston and Napanee there arose murmurs of satisfaction. REV. H. HARPER, M.A.

During the month of March (1906) your Ag-nt visited the following places in the order named: UNIONVILLE, March 7th; SCARBORO, 8th; SANDFORD, 9th; VROOMANTON, 13th; KIRKFIELD, 14th; MARA, 27th; ELDON, 28th. The dates were later than usual for holding meetings, but they were as early as could be conveniently arranged for by the places interested. Generally the meetings were well attended, and much credit is due the local dergymen of the various localities for the interest taken in the work. The success of the yearly meetings depends largely on their cooperation in making announcements through their pulpits, thereby securing gold andiences. Some of the branches have suffered from lack of regular visitation. This is notably true of Unionville, where a meeting had not been held for several years, and as a consequence the interest in the work of the Bible Society had decreased to such an extent that complete re-organization was necessary. The majority of the Branches were found in a healthy condition, fully cognizant of the value of work of this kind, and anxious to help in the distribution of the Word of God. Changes were made in the officers where found office at Toronto.

VERNONVILLE, Oct. 22nd.—The annual meeting of this Branch was held in the Baptist Church, Wisklow. The night was dark and wet, and the meeting shall in consequence. The President being absent, B. The Agent gave an address, officers and collectors were re-appointed, and despite the inclement weather a most enjoyable evening was spent.

This Branch was re-organized, new efficers being appointed and special interest taken in the selection of collectors, so that the best financial results possible might be secured this year. Rev. R. A. Delve, Pastor of the church, spoke in the interests of the Society and is a true friend and advocate of it.

ENNISKILLEN, Sunday, Oct. 28th —The congregations of the Presbyterian and Methodist Churches joined in the union service in the interests of the Bible Society in the Presbyterian Church, at 11 a.m. Although the day was wet and stormy, we had a good congregation and a service of special interest. After a sermon by the Agent on the Bible and work of the Bible Society, a subscription list was circulated and it is confidently expected that when the collectors have canvassed the neighborhood, this revenue will be largely increased.

TYRONE, Sunday, Oct. 28th.—At 7 p.m., heoe in the Methodist Church, a good congregation was present. The Pastor, Rev. S. F. Dixon, conducted the devotional part of the service. After a sermon on the work of the Bible Society, a good collection was given for the Society. An executive meeting was held after the service. This Branch has now been re organized and new officers appointed. Special attention was given to the selection of collectors and the districts they are to canvass, and a deep interest manifested in the work of the Branch this year.

NEWCASTLE, Sunday, Nov. 4th, at 3.30 p.m.—The annual meeting of this Branch was held in the Presbyterian Church—In the absence of the pastor, Rev.J. C. Wilson (Methodist) conducted the devotional exercises. We had a fair attendance at the service. After a sermon by the Agent on the work of the Society and the offering taken, the President, W Rickard, Esq., presided, when reports were presented and collectors appointed for this year. This is an old established Branch and good returns may be looked for this year.

ORONO, Sunday. Nov. 4th, at 7 p.m.—For years past a union meeting in the interests of the Bible Society has been held on Sunday evening, in one of the churches addressed by the local pastors. This year the way was opened for the Agent to visit the Branch. At this annual meeting the Methodist congregation withdrew their service and came to the Presbyterian Church. The Pastor of the church, Rev. Mr. McKeen, conducted the service preceding the Agent's address. A good audience was present. The executive are organizing for a canvass, not only of Orono, but the outlying districts.

P.S — Hampton, Newtonville and South Darlington Branches did not desire a visit from the Agent Two of them promised to hold the annual meeting themselves.

REV. F. J. LYNCH.

HOMER, Oct. 23rd.—A hearty meeting held in the Methodist Church resulted in the organizing of a Branch. The Agent was encouraged by the presence of the Revs. J Webb, Methodist, who presided, and R. F. Nie, Anglican, both of whom are deeply interested in the work, and may be depended upon to assist to the fullest extent in making this Branch a flourishing one.

NIAGARA, Oct. 25th.—This meeting held in the Presbyterian Church was well attended by an audience who manifested a most hearty interest in the claims of the Society presented by the Agent at length, and briefly by the Reverends Messrs. Garrett, McGregor and Teeple. The receipts amounted to about the same as the previous year, totalling over \$100. The resignation of the Rev. Mr. McGregor, President, was accepted with regret, but his successor, Mr. John Eckersley is known to be an old friend and efficient worker of the Society.

NIAGARA FALLS and QUEENSTON, Oct. 26th—The attendance at this meeting held in the Methodist Church was far below what it should have been. For some reason part of the collecting went by default, and consequently the financial showing was not flattering. This without doubt will be remedied hereafter. The meeting was ably presided over by Mr. John Logan, and after the Agent's address the clergy present, the Rev. Dean Houston, W. J. Magwood, J. Crawford and A. P. Kennedy took part in a helpful discussion, bearing on the affairs of the Branch.

MERRITTON.—The local committee decided to hold the annual meeting at a later da'e, but the Agent had the privilege of addressing the morning congregation of St. James Church, and the Sunday School of that church in the afternoon, on Sunday, Oct. 28th.

ST. DAVIDS, Oct. 29th.—The organization of last year initiated by the Rev. Thos. Paton, resulted in some revival of interest in this locality, but as only one set of collectors did the work assigned, the receipts were altogether below what they are expable of reaching. The attendance at the meeting held in the Presbyterian Church was small, partly owing to the unfavorable weather. However those present were unanimously of the opinion that greater efforts could be made, and that the next year would mark a decided step in advance. Both Rev. I. M. Moyer, re-elected President, and Rev. J. L. Campbell are fully alive to the importance of Bible Society work, and desirous of forwarding it in every possible way.

WELLAND. Oct. 30th.—A small but appreciative audience greeted the Agent in the Presbyterian Church. The Rev. J. D. Cunningham kindly took the chair in the absence of Mr. Cowper, the President. All the local elergy were present except the Rev. Dr. Johnson who was prevented from attending by illness. The new collectors are capable men, representing the leading denominations of the town. Revival of interest and increased contributions are confidently looked forward to for the coming year.

FONTHILL, Oct. 31st.—A very satisfactory meeting was held in the Baptist Church. All the local clergy were present, and took purt in the proceedings. In addition to a gratifying report from the collectors, it was decided to take steps to cover portions of the territory hitherto neglected by public meetings and collections. The officers were unanimously reclected and their hands strengthened by the addition of a capable representative committee.

NORTH PELHAM, Nov. 20th.—Rain lessened the attendance, nevertheles an encouraging meeting was held in the Presbyterian Church, presided over by the Ray. P. Reith who never fails to take an active interest in the work.

THOROLD, Nov. 21st.—About 50 interested persons attended the meeting held in the Presbyterian Church, the President, Mr. James Bye, in the chair. The officers and collectors had all been faithful in the discharge of their duties, and the services of most of them are retained for another year. A decided revival of enthusiasm has sprung up in this old Branch, part at least of which is due to the leadership of Rev. Messrs. McLeod and Patterson, who are keenly alive to the claims of the Bible Society on all Christians.

REV. J. A. McKENZIE, Ph.D.

ALTON, Nov. 20th.—The night was disagreeable but a representative meeting of the Branch was held in the Methodist Church. The President being absent the Rev. Mr. Schragg acted as chairman. Rev. Dr. McKay was elected President, Mrs. L. McClelland, Secretary, John L. Meek, Treasurer and John Davis, Depositary. Last year collectors were re-appointed. With these officers the Alton Branch must succeed. A great friend of this Branch has been called away in the person of Mr. James McClelland. Your Agent addressed the meeting, and the President-elect in well chosen and warm words commended the work to those present.

MANSFIELD, Nov. 26th.—A heavy rainstorm with the consequent muddy roads argued with your Agent as to the advisability of attempting a twenty-four mile drive with the possibility of no meeting, and the counsel of expediency prevailed. How the nature of the composition of this Branch was misunderstood is noted in the successful meeting they held in the Presbyterian Church. There was a fair

attendance. All the efficers of the preceding year were re-elected and the collectors appointed. Rev. Mr. Peacock addressed the meeting. The Branch faces thefuture with renewed hope.

WHITFIELD, Nov. 28th.—A fine night with good reads brought a fair number to the meeting of this Branch. Mr. Murphy, President, in the chair. It was with sorrow the Branch heard of the impossibility of its valued Secretary, Mr. Shepherd, to continue in office on account of his health. He was a valued officer. Mr. Geo. Best was elected to his office as Secretary-Treasurer. This was a good meeting with every prospect of success for the Branch. Mr. Ecclestone's address in commendation of the Society's work was well received. Your Agent then addressed the meeting.

MONO CENTRE, Dec. 3rd.—The officers of this Branch have deemed it necessary to hold the meetings in different parts of the district, and this year the meeting was held in the Episcopal Church at Relessey. A large meeting and keen interest proved the wisdom of the plan. Rev. C. A. Belfrey occupied the chair and with marked executive ability conducted the business of the meeting. Mr. G. F. Stewart, a valued servant of the Society, read his reports which were approved. The Agent then addressed the meeting.

CAMILLA, Dec. 7th.—With the thermometer at 16 degrees below zero only the staunchest friends of the Society could be expected to attend the meeting. Notwithstanding this inclemency we had a fair gathering and the deep interest evinced demonstrated the fact of friendship towards its work. Rev. G. M. Rose, one of the warm supporters of the cause, occupied the chair. Mr. S. Marshall was elected President and Mr. Wm. Bremner, Secretary-Treasurer. It was with pleasure your Agent addressed the audience.

REV. P. J. McLAREN.

PUSLINCH, Oct. 22nd.—The annual meeting was held in the Evangelical-Church, Morriston. Rev. W. A. Beese, President, occupied the chair. After devotional exercises, Mr. J. A. Cockburn, the efficient Secretary Treasurer, presented the financial report which was encouraging, and the Agent then addressed the meeting.

CAMPBELLVILLE, Oct. 24th.—Your Agent was on the ground on the above date but just as the friends of the Society would be arranging to go to the meeting a heavy downpour of rain came on and lasted for some hours and no one came out. Some weeks after another neeting was held but your Agent was not able to be present and the meeting was addressed by Rev. A. Blair of Nassagaweya. This Branch is in a good flourishing condition.

STRABANE AND FREELTON, Oct. 25th.—Meeting of this Branch was held in the Methodist Church, Freelton. In the absence of the President, Dr. James McQueen, a warm friend of the Society, ably occupied the chair. The report of the Secretary-Treasurer, Mr. John Fulton, was encouraging. Your Agent then presented the work and claims of the Society and was heartily supported by Rev. Messrs. Fortner and Haines of the Methodist and Baptist Churches.

BEVERLEY, Oct. 26th.—Annual meeting held in the Presbyterian Church, Kirkwall. Rev. C. R. Ashdown, pastor of the church, occupied the chair and opened the meeting with devotional exercises. The Secretary, Mr. Robt. McQueen, who has almost completed half a century of faithful continuous service.

presented the financial statement which showed that this Branch is still to the front in their contributions. The Agent's address was ably supplemented by Rev. Mr. Ashdown and Mr. Robt. McQueen.

HESPELER, Oct. 30th.—The annual meeting which was largely attended was held in the Methodist Church. The President, Rev. W. N. Duthie, conducted the devotional exercises, and was assisted by Rev. Messrs. Ham Iton and Morrow. Mr. A. C. Roos, the Secretary-Treasurer, presented an encouraging report which was about the same as the previous year. The work and claims of the Society were presented by the Agent, and all the ministers of the churches in the town heartily endorsed the work.

ROCKWOOD AND EVERTON, Nov. 23th and 29th.—The meeting was held in the Methodist Church, Rockwood. Mr. Hugh Black, the President, occupied the chair. The attendance was fair. This is a strong Branch and is doing good work under the leadership of two most efficient layman, Mr. Hugh Black and Mr. Wm. Huris. Your Agent presented the claims of the Society and was heartily supported by Rev. Mr. Hall of the Presbyterian Church and Rev. Mr. Taylor of the Methodist Church. On the following evening, Nov. 29th, a meeting was held in the Disciple Church, Everton, and notwithstanding some other meetings in the vicinity, was well attended. Mr. Black occupied the chair and was assisted by the efficient Secretary, Mr. Harris. This Branch is doing splendid work.

PRESTON AND GLENMORRIS Branches held their own meetings without a visit from the Agent. Gratitule is due the friends at every Branch visited for their kind sympathy and encouragement to the Agent in presenting the work and claims of the Society.

REV. A. C. MILES, B.A.

NORVAL, Oct. 24th—A copious rain caused adjournment of annual meeting here, and your Agent returned on Nov. 27th, when a moderate audience gathered in the schoolroom of the Presbyterian Church; very muddy roads were a drawback this time. This old Branch contributed well last year, and has a diligent committee in charge of its work. The Depository continues to have fair sales. The Pastor, Rev. W. D. Turner, was the only minister able to be present, and he gave a short and earnest address, as did also the veteran Hon. President, Mr. Robert Watson.

COOKSVILLE, Oct. 25th—Meeting this year in the Methodist Church at Cooksville; next year it is to be at Port Credit, which is a part of this Brauch. Rain interfered with the attendance, but a good meeting was held. The Pastor, Rev. G. S. Smith, and Rev. H. N. Konkle (Presbyterian) of Port Credit, assisted in the speaking. Contributions more than double last year, though all the territory was not canvassed. The same officers were re-appointed.

CAMPBELL'S CROSS, Nov. 26th—This year's meeting was in the Presbyterian Church at Claude; being in the country, and the roads unprecedently muddy, only a little company was present. In the absence of the President, the Pastor, Rev. J. G. Chayne, occupied the chair. He and Rev. Wm. Hall (Mathodist) of luglewood, briefly endorsed the Society's work, and your Agent spoke for half an hour on the extensions, encouragements, and other features of the year's operations. It was decided to close the depositories at Inglewood and Campbell's Cross, most of the people buying their Bibles at Brampton and other places.

CHELTENHAM, Nov. 28th—The muddy roads decreased the ordinary attendance here also, driving in from the country being almost an impossibility. The meeting was in the Fresbyterian Church, whose Fastor, Rev. J. H. Edmison, and Rev. E. J. Bridgeman (Baptist) both warmly advocated zealous interest in the Bible Society. Assisted by these resident ministers, your Agent made a thorough examination of the depository, and left only the newest and most useful books. Contributions for the year were up to the usual amount, and will probably be increased this year, especially with the proposed addition of territory. The meeting, though small, was a happy one.

MARSVILLE, Nov. 29th—The best meeting of the tour in point of attendance was here, the roads having become firm and the sky clear, with full moon—It was held in the Presbterian Church, near Marsville. In the President's absence, the Passor, Rev. R. S. Scott, took charge. The business was conducted with interest, and addresses given by the Chairman and Rev. S. Woolner (Lisciple) icllowing your Agent. Depository sales and free contributions continue good in this young Branch, under the interested care of its Secretary, Mr. L. Boggs.

ERIN, Nov. 30th—A fair sized audience, considering the threatening rain, met in the Disciple Church here. The President, Mr. James Binnie, was in his place as usual Wishing to retire, he is succeeded by Mr. James Long, another good friend of the Society. The capable Secretary, Mr. D. C. Russell, continues in office. A number of interested men took part in the business, which was promptly dealt with. Depository sales again good with a well selected stock. Vour Agent was the only speaker, but Rev. R. Fowlie (Presbyterian) in moving a vote of thanks, briefly culogized the Society for its good and necessary work. This Branch again gave liberally last year.

In concluding, your Agent would mention the unfailing and abundant kindness shown him at every place, in hospitality, driving, etc. Names are not mentioned as the list is long. He could not have been treated better, and it manifests the appreciation of the Bible Society and those who labor in its interests.

REV. CHARLES MILES.

ARMOW—The annual meeting of this Branch was held on November 2nd, 1906 in the Methodist Church. There was a good attendance. Both Methodist and Presbyterian ministers being absent, the opening services were taken by your Agent. The business meeting was then proceeded with under the charge of the President, Mr. G. Robertson, sr. The officers were re-elected and collectors appointed. Your Agent was then called upon and addressed the audience upon the claims of the Bible Society for their loyal interest and support. He also congratulated the President upon his faithful services in the good work, Mr. Robertson being the senior officer of the Society in the County of Bruce.

BERVIE—The annual meeting of the Bervie Branch was held on November 6th in the Methodist Church and was well attended. After the devotional services conducted by Rev. F. Ryan of the Church of England, and Rev. Mr. Matthews, assistant paster of the Methodist Church, the yearly reports were adopted and officers and collectors appointed. Earnest addresses were given by both local ministers and your Agent then addressed the audience on the work of the Bible Society. Deep interest was manifested and good results should follow.

LANGSIDE.—The meeting of this Branch was held on November 7th in the Presbyterian Church. An excellent congregation assembled. Both Rev. Mr. Duncan, the paster of the church, and Rev. Mr. Finlay, the Methodist minister-

proved warm advocates of the Bible Society's work. They drove seven miles on a very dark night to be present. After routine business, presided over by Mr. Duncan, an earnest address was made by Mr. Finlay, and your Agent was then called upon and spoke upon what the Bible has done for the world, what remains to be done, and what is being done. The keenest earnestness and interest was manifested by all throughout.

KINLOUGH—The annual meeting of this Branch was held on November 8th in the Presbyterian Church. A fair attendance was present and the devotional services were conducted by Rev. Mr. Smith, the pastor of the church. Your Agent then made his address, after which the local reports were read and officers and collectors appointed. The genial manner of both pastor and congregation made this a very pleasant meeting.

PINE RIVER AND AMBERLEY.—The annual meeting of this Branch was held on November 13th in the Presbyterian Church. Both Mr. McFarlane, the pastor of the church, and Rev. Mr. Pomeroy of the Methodist Church and President of the Branch were present. After business routine was disposed of and a few preliminary remarks made by the President your Agent addressed the meeting in the interests of the Society. Close attention was paid and deep interest manifested by the goodly number present.

WHITECHURCH.—The annual meeting of this Branch was held on November 14th in the Presbyterian Church. There was a large attendance. Both Rev. Mr. Duncan, pastor of the church, and Rev. Mr. Finlay being present, they took an active part as usual. After the business meeting, presided over by Mr. Duncan, your Agent spoke in the interests of the Bible Society illustrating by facts from home and foreign field the present need and the ready acceptance of the Word of God.

RIPLEY.—The annual meeting of this Branch was held on Thursday, November 15th in the Anglican Church where a splendid congregation assembled. The devotional services were conducted by Rev. Mr. Horton, the pastor of the church. All four of the resident ministers were present. The President, Rev. Mr. Blatchford, filled the chair ably. Earnest addresses were given by Rev's. McLeod and Mr. Brenner of the Presbyterian Church, followed by your Agent on the usual line. Routine business was satisfactorily conducted, and a hearty meeting closed with the benediction.

ASHFIELD.—By special request I visited this Branch on Sunday, Nov. 18th, as attempts at week night meetings had been, for some time, a failure. A large congregation was present and the pastor, who is also President of the Branch, is enthusiastic in the work of the Society. After business routine your Agent was introduced and spoke upon the work and needs of the Bible Society and was followed with the closest attention. This Branch makes splendid returns I was glad to find that all the branches I had the pleasure of visiting were in good hands and I have every reason to expect continued progress.

The following places allotted me, conducted their own meetings, viz.: Lucknow, North Bruce and Tiverton.

REV. CHAS. R. MORROW.

EAST OXFORD, Oct. 16th—In the absence of the President, who had removed, the Rev. S. Card took the chair. Rev. M. Golberg, of Eastwood, was present and gave a brief address; he was a Jew, but was converted to Christianity

by reading the New Testament. The meeting was held in a private house. Excellent music was furnished by the friends. The ladies served lunch at the close of the meeting. It was a good meeting. The Secretary, Mr. Schell, deserves great credit for his efforts to have a successful meeting.

TILSONBURG, Oct 17th—The meeting was held in the Methodist Church. All the ministers of the town were present. This Branch has good officers and will do well.

DEREHAM, Oct. 19th—The meeting was held in the Baptist Church with a small attendance. The Baptist and Methodist ministers were present and helped in the meeting. The night was not very favorable.

KINTORE, Oct. 30th—The roads were in a very bad state, so the attendance was small. The Methodist and Presbyterian ministers who reside in the village are both good friends of the Society. This Branch did splendidly last year and it hopes to keep up the record.

BURGESSVILLE, Nov. 11th and 12th—I preached in three churches on the Sabbath to good congregations, and had a good meeting in the basement of the Baptist Church on the Monday evening. The friends pledged themselves to try to raise \$100.00 this year.

DEREHAM AND VERSCHOYLE. Nov. 13th—All of the officers save the Treasurer moved away during the year. The Rev. Mr. Stewart's removal is a great loss to the local Branch. Rev. Mr. Harnwell, though unable to be present, aided your Agent much. I expect a good return this year.

BEACHVILLE, Nov. 20th—The evening was not favorable. Neither of the ministers who preach in the village were able to be present. Usually these meetings are held not later than the month of October, but this year one thing or another prevented the last three Branches from holding their meeting earlier. The officers and friends at the Branches visited were very kind to your Agent.

REV. F. O. NICHOL.

RIVERSDALE, Sept. 14th—Meeting held in Presbyterian Church—very large attendance. The Pastor presided. Agent spoke on many sided work of Bible Society. Much interest shown, plate collection doubled, and collectors promise better subscriptions and more of them. Some Roman Catholics present and interested. Depository not well patronized, might be closed, stock very small.

PINKERTON AND EDEN GROVE, Sept. 20th—Meeting in St. Paul's Episcopal Church with President, Rev. J. McKinnon. (Presbyterian) in the chair. In consequence of bad weather the meeting was thinly attended. Depository had fair sales. New Secretary-Treasurer elected.

GLAMIS, Sept. 21st—One of the best meetings in history of the Branch. Presbyterian Church nearly filled. Agent used limelight views to illustrate work of Society. Largest plate collection of thirteen meetings. Resolution passed of appreciation of Mr. Thomas Pickard, retiring President, who was leaving for Toronto. Vigorous executive appointed. Increased contributions.

SHALLOW LAKE, Oct. 3rd.—Meeting held in Presbyterian Church, pastor in chair as President had left the bounds. First-class attendance, doubled collection, good interest. Used limelight views with good effect. New executive appointed, and with energetic collectors. Better returns looked for.

ALLENFORD, Oct. 4th.—Meeting in Presbyterian Church, large attendance. Old officers have been very faithful as shown by interest, attendance and larger contributions. Good Depositary. Better sales than for some years.

TARA AND INVERMAY, Oct. 5th.—Largest meeting of the series in Presbyterian Church, Capt. Brunton, the veteran President, in the chair. Your Agent used limelight views with good effect Local clergy all spoke in firm spirit. Generous offering. This Branch has always done well and will not disappoint.

ARKWRIGHT, Oct. 25th.—Met in Methodist Church, largest meeting in ten years, pastor presided. Agent used limelight views with considerable interest. Branch has been disorganized, but promises better.

BURGOYNE, Oct. 26th.—This is one of the most vigorous Branches of the Society—no trouble to sustain interest and revenue here. Old officers and collectors re-elected. The Depository stock here is very small, and could be closed with no serious inconvenience or loss to any.

PORT ELGIN, Nov. 7th.—Has usually held its own meetings, but this year asked Agent to visit. Fairly well attended meeting in the Presbyterian Church. Good reports read. Depository in fine shape with fair sales.

SOUTHAMPTON, Nov. Sth.—Agent spoke in Methodist Church. Rev. R. T. Cockburn presided in absence of President McNabb, who owing to increasing years could not be present. He and his father have been Presidents since inception of Society over fifty years ago. All new officers elected, and more care promised by collectors

HEPWORTH, Nov. 13th — Spoke in Methodist Church using magic lantern. Good attendance. Contributions only collected in one church last year. Pastors promise to see that collectors make general canvass.

CHESLEY, Nov. 14th.—Meeting here postponed because of evangelistic services. Executive promises to hold it during week of prayer and invited Agent to address the meeting Audited Depository accounts and took stock of books. Annual meeting here was held during the week of prayer with the expectation of a larger attendance than in preceding years, an expectation in no sense disappointing in view of an audience exceeding three hundred. The meeting was held in the Methodist Church. C. J. Mickle, B.A., presided in the absence of the President, T. G. Elliott, and was assisted in the devotional exercises by the pastor. With the aid of magic lantern views, the Agent spoke on the many sided work of the Bible Society, and was encouraged by an attentive and sympathetic hearing The plate collection was the largest in the district. Old officers, all of whom were efficient and interested, were re-elected.

CARGILL, Nov. 18th.—Union meeting held in Presbyterian Church on Sabbath evening, all pastors present, fine attendance, good interest shown, old officers and collectors appointed.

REV. C. H. P. OWEN.

NEW HAMBURG.—The annual meeting of this Branch was held in the Evangelical Church on Sept. 25th. The attendance was the best in some years. The Revs. Meyer and Yaeger ably supported your Agent. Mr. Oombach has in every way proven a great help to this work of the Branch and much of the good organization of the work is due to the conjoint labours of our Secretary and President. The Depository has made as good a year as the Branch in other respects and everything portends well for the future.

SEBRINGVILLE.—Your Agent visited this place on Oct. 1st (Monday). The gathering in the Evangelical Church was small. Mr. Little, a former Agent and the pastor of the church addressed a few words. Mr. Hamilton presided. All the officers were present. Mr. Gus. A. Schmidt was elected President. The subject enlarged on this year everywhere was the work of our own Northwest and a few curios were inspected with interest by those present.

MILLBANK, Oct. 2nd.—(Tuesday.) Your Agent found a good deal to encourage in the work of this Branch, though the meeting was not of an enthusiastic order. The Secretary is undoubtedly the mainspring of the work, and the collecting is well done. Your Agent pressed on the meeting the desirability of a business man collecting from the business men. Rev. Mr. Haig conducted the devotional part of the meeting which was held in the Methodist Church.

MILVERTON.—Your Agent visited here on 3rd of Oct. Finding the organization lacking I visited the school and talked to the children on Indian work and received my reward in a fair turnout at night; about 60 children and 45 adults all gave the best attention and the Indian curios proved a considerable attraction. The four local pastors gave me very hearty support at the meeting and I think that things will improve here in the future.

MILDMAY.—On Oct. 4th your Agent arrived here to be made conscious at once of the Society's loss in the death of Mr. Johnston, which left a sad blank. His death was one in keeping with his life and character. He had opened his Bible for evening worship when he fell asleep to wake above. The meeting was a good one and as in Milverton I visited the school and had a fair share of the young folks out; the night was wet, but in spite of it the attendance was over 75. Mr. Wilson, the Presbyterian minister. and the new pastor of the Methodist Church gave your Agent every help Miss Murat, the Secretary-Treasurer, has again proved her living interest in the work.

AYTON, Oct. 5th.—Your Agent found Ayton in every way ready for his visit. The past year financially was a good one and again Mr. Gilleland was manifesting his activity; he had arranged a very nice musical programme which was well carried out. The meeting was in the Presbyterian Church which was taxed to its capacity, and the prospect for the work here is indeed bright. Every church takes a share in the work here and harmony is the chord with which everything rings.

ST. MARYS.—Your Agent arrived in this town on the first train in the morning of Monday, Oct. 15th, and called on the venerable President, Rev. A. Grant, who was suffering from his labours of the day before. The work of the Society seems to be suffering here for the want of auy real live interest and as your Agent moved from one to another in the search for some one who would make the work his business, he became almost depressed. The last resort again was the schools and as a result of my visit to two of the schools the evening meeting consisted of about 160 boys and girls and 75 adults. We also have a Treasurer from the teaching staff and a Secretary from the former staff. The Revs. Taylor, McWilliams and Graham all gave your Agent their support in the meeting and I trust

CREDITON.—On Tuesday, Oct. 16th the annual meeting was held in this place. The interest here seems fairly maintained and the local pastors both showed their interest at the meeting. Mr. Bluett is still the helpful Secretary—Treasurer, and Mr. Lewis fills his post as President. The attendance at the meeting was larger than usual and a very keen attention marked the whole gathering. The collectors did very well last year, almost coming up to the jubilee year.

DASHWOOD.—Wednesday, Oct. 17th being the day before thanksgiving day did not prove a very good day for a meeting. Rev. Mr. Eiht was in the chair and gave your Agent every encouragement. The North-West seems to be a subject of which the people here never tire, as it tells of brothers and sisters and sons and daughters to so many. When your Agent fluished his address so many had questions to ask. I trust that a greater interest was stirred up.

NEW DUNDEE.—On Oct. 22nd your Agent visited this little village and was received at a large and enthusiastic meeting held in the Mennonite Church. The interest was most encouraging and the pastor of the church, who last year was one of the collectors, assured us that the \$50 raised last year which was twice that of the year before would again be doubled. The talk on the North-west and the Indian eurios as in every other case proved an added attraction. Dundee may soon be a banner Branch.

TAVISTOCK.—Your Agent visited this Branch on Friday, Oct. 26th. The meeting was held in the Evangelical Church and was presided over by an old friend of the work, Rev. Mr. Berne, Mr. Wildfang taking the chair only officially. The meeting was one of the smallest for some time here and one could but fear that the removal of Mr. McCulloch was going to prove a serious loss. The old officers were all re appointed and Mr. Krug assured your Agent that the work would be prosecuted with every energy. The directors' meetings here are always well attended.

ELMWOOD.—Your Agent visited this Branch on Monday, Oct. 29th. The weather was not propitious but in spite of it the attendance was good. Rev. Mr. Leslie occupied the chair and the Evangelical pastor was active in his interest. The best meeting for some time in this place was held in spite of the elements. The Secretary-Treasurer, Miss Wildfang, has been compelled to resign, but her place has been very well filled.

HANOVER.—Your Agent had a very bright time here talking to the school boys and girls altogether for about an hour and a quarter, and the meeting at night was a splendid one. Revs. Messrs. McLaughlin and Cox assisted the pastor of the Evangelical Church who all gave your Agent much sympathy and it is to be trusted that the work here will advance. The plate collection was seven dollars and sixty six cents.

I again urge the need of an Agent going out with some attraction. I took my Indian curios and as an ex-Principal of the South Camp Blackfoot Homes many of my tales, etc., proved a great attraction especially in drawing the young. I did much in advertising my meetings by visiting the schools. I would suggest that a lantern trip through Muskoka in July and August would probably be most profitable to the Society. Much personal work amongst the pastors of Ontario is needed The opposition from the non-chalence of those who ought to know is the most deadly in its effect.

REV. W. G. REILLY.

ARTHUR, Oct. 10th.—The meeting was held in the Methodist Church. The attendance was very small. It was a very disagreeable evening, the first severe snow storm of the season. Your Agent gave an address on the work of the Society and was assisted by Rev. Mr. Smith, the pastor of the church. It was decided to hold the annual meeting next year on a Sunday evening.

GRAND VALLEY, Oct. 11th.—This meeting was held in the Disciple Church and was very well attended. The President, Mr. Tough, occupied the chair. Your Agent was assisted by the local clergy. The old officers were re-elected and

collectors appointed. This Branch will also hold its own meeting next year on a Sunday evening.

NEWBRIDGE, Oct. 23rd.—This meeting held in the Methodist Church and was very well attended. The President, Mr. Adam Spence, occupied the chair. The Secretay, Mr. James Fallis, gave an excellent report, stating he had held the office of Secretary-Treasurer for 37 years and in that time over \$700 had been collected for the work of the Upper Canada Bible Society. Your Agent then addressed the meeting. The old officers were re-elected and collectors appointed.

McIntosh And BELMORE, Oct. 24th.—This meeting was held at the McIntosh Presbyterian Church according to an arrangement by which Belmore and McIntosh are to have annual meeting on alternate years. The attendance was very small owing to a very wet and disagreeable night—the worst of the series. Your Agent gave an address. The old officers were elected and collectors appointed.

LAKELET, Oct. 25th.—This meeting held in the Methodist Church. The pastor, Rev. Mr. Eddy taking the opening service. The President, Mr. James Wright, occupied the chair. The Secretary, Mr. John Darroch, gave an excellent report. Addresses were given by Mr. Darroch, Rev. Mr Eddy and your Agent. The old officers were re-elected and collectors appointed.

REV. J. F. SCOTT.

CLANDEBOYE, Nov. 1st. — Meeting held in the Episcopal Church. Attendance small. Treasurer's report was the best for at least five years. Officers reelected. Found that stock of Depository had been recalled. Rev. H. A. Thomas, pastor of the church, presided and heartily commended the work.

James Argo, of the Presbyterian Church, and Rev. Mr. Parsons, pastor of the church, gave hearty addresses commending the work. Territory very large and division into two Brauches will be considered. Officers re-elected. Provision made for thorough canvass.

SOMBRA, Nov. 7th.—Good meeting in the Methodist Church with President in chair. Reports all good. Depository did excellent work selling nearly \$20 worth out of a new stock of \$27, clearly justifying its establishment last year. Addresses were given by Rev. Mr. Beaton, pastor of church. Rev. Mr. Justice, Presbyterian, and your Agent.

MOORE TOWN, Nov. 8th.—Held in the Presbyterian Church, Rev. W. D. Bell. the pastor, presiding in the absence of the President. Attendance small, but the interest good. Officers re-elected. Your Agent went out to Courtright to try to interest the people in the work and visited the small depository there. Collectors were appointed to cover this village as well as Mooretown.

CORUNNA, Nov. 9th.—Meeting in Episcopal Church, Rev. Edwin Lee, the Rector, presiding. The Secretary was changed to T. Cowen, Jun., as the aged Secretary who has so faithfully served the Branch felt unable to continue the work. Reports were good, but collectors were urged to get their work done so returns would be in in time for printing. Addresses were given by the Rector and Rev. W. D. Bell, both loyal friends of the work

RAVENSWOOD, Nov. 14th. —An excellent meeting in the Methodist Church with the President in the chair. Treasurer's report was the best ever given in the

Branch and "progress" is the motto of the workers here. The efficient officers were re-elected. Addresses were delivered by Revs. Mr. Lackland, pastor, H. Currie, Presbyterian and the Agent.

THEDFORD, Nov. 15th.—Good meeting in the Presbyterian Church, Dr. Clarke, Vice-President, in the chair. This Branch has a most efficient executive. Treasurer's report showed increase of \$10 over other years. The Secretary, Miss Ida Watcher, was specially commended for her interest and faithful, efficient work. Addresses were given by Rev. H. Currie, pastor, the S. A. captain, Rev. Mr. Hughes, Anglican, Rev. Mr. Edwards, Methodist, and the Agent.

ARKONA, Nov. 17th.—Best meeting of the district in the Baptist Church. kev. Mr. Harbor, pastor, presiding. The attendance was large and the report of the Treasurer was good and the interest in the work very evident. Addresses were given by the pastor who had seen something of the Society's work while a missionary in Africa, and by Rev. Mr. Snowdon, of the Methodist Church, who emphasized the marvellous way God had preserved His Word, and by your Agent who as in all his addresses presented the claims of the Bible Society for home and foreign work.

PARKHILL, Nov. 26th.—A splendid meeting in the Presbyterian Church. Large attendance. Excellent music by a union choir. Owing to Agent being detained on the railway until meeting was closed the Rev. Mr. Newton, Episcopal, a former Agent, addressed the meeting on the Society's work and needs. Rev. Mr. McGregor, Baptist, followed fully endorsing the excellent address as also did Rev. A. Graham, the pastor, who presided. A plate collection of nearly \$7.00 was taken up, and in meeting with the executive later your Agent was assured that a thorough canvass would be made. It was also decided to continue the Depository.

FOREST, Nov. 27th.—The meeting was held in the Congregational Church with only a fair attendance. Your Agent addressed the meeting at length on the work, specially emphasizing the extensive work and sphere of the Bible Society. Revs. Messrs. Currie, Presbyterian, Burrell, Baptist, and the resident Episcopal clergyman were present and encouraged the work. No doubt Forest will give a good report for the year.

WAUBUNO, Nov. 28th.—According to previous arrangements your Agent visited Waubuno for the purpose of organizing a Branch. The meeting was held in Guthrie Presbyterian Church with a good attendance present considering the condition of the weather and roads—mud. Quite a district was not being worked and arrangements were made for a thorough canvass. Rev. D. Johnston, the pastor, was elected President and the work is safe in his hands.

REV. T. BEVERLEY SMITH, B.A.

TAMWORTH, Nov. 5th.—The Agent began a series of two weeks' meetings here in the Methodist Church. Mr. Thornton, President, in the chair. Rev. Mr. Henry (Presb.) conducted the opening and closing services, and Rev. Mr. Spence (Meth.) acted as Secretary, and each of these gentlemen spoke briefly and encouragingly of the Society's work. The officers and pastors are good earnest people, and they are interested in the Bible Society, and the work is being taken hold of with a will.

ENTERPRISE, Nov. 6th.—There was a good attendance in the Methodist Church, presided over by Rev. Mr. Allen. A few well-rendered selections of sacred song prepared the way for your Agent's address. By adding a few collectors the work has been extended and great interest aroused.

NEWBURGH, Nov. 7th.—Splendid weather helped to bring out a good n ber to the meeting in the Methodist Church, presided over by the pastor of Church and President of the Branch, Rev. Mr. Mears. Rev. Mr. Gandier ope the meeting with prayer and gave a short address. There was a large attendar and all present gave the Agent's address the closest attention. Mr. Courtney rethe Treasurer's report and Rev. Mr. Chant the Depositary's. Wherever there good, live Secretary, good work is always done, and this is particularly true Newburgh's Secretary, Mr. Dunwoody.

SELBY, Nov. 8th.—The meeting was held in the Methodist Church. R. Mr. Duke in the chair. This Branch was only begun last year; in fact organition was not complete. After some helpful words from Rev T. F. Dowdell (Ar and Rev. Richard Duke (Meth.) and the Agent's address, officers were elected collectors covering the district were appointed. This was a largely attended ming, and every promise is given of good work being done by this new Branch.

LONSDALE, Nov. 9th.—The rain was pouring down and the night intens dark, when six of us met in the Presbyterian. Church for our annual meeting After opening with reading and prayer, the President, Mr. John Smith, conduct the business part of the meeting, and Mr. Harold McCullough acted as Secreta It was a great pleasure to the Agent to address the few who had come out on a night upon the work of the Bible Society. The Branch is alive to its work he

MILFORD, Nov. 11th.—On Sunday morning your Agent preached in Anglican Church on the Bible and the Bible Society, and after the service Rector, who is President, conducted the business part of the meeting. Althou it was a wet, cold day, there were representatives of all the Churches there, a the work is in good hands in Milford.

CHERRY VALLEY, Nov. 11th.—The rain was still pouring while we dro on to Cherry Valley to the Methodist Church where Mr. Batstone had held special service in the afternoon at the time suggested by your Agent. There we a splendid congregation for the day, and after the address the officers and collect who are all doing good work, were re-elected.

BLOOMFIELD, Nov. 11th.—After a cold, wet drive of eight miles, M. Blakely of Cherry Valley brought your Agent to Bloomfield for the evening meding. It was encouraging to find that the two churches of the place, Methodist as Friends, had arranged for a union meeting in the Methodist Church, and that large congregation was present. Mr. Houck and Mr. Sutton shared the servibetween them, and after the Agent's address, Mr. Sutton, the President, conpleted the business part of the meeting. The rule here is to have all the collecting done before the annual meeting, and the people are thoroughly alive to the nee of our great Society.

WELLINGTON, Nov. 12th.—The Friends' Church was well filled with representative gathering of the Christian people of Wellington. The Presiden Rev. G. W. McColl, Methodist, conducted the meeting; Rev. Rufus Garret Friends, read the Scripture lesson, and Rev. Mr. De Pencier led in prayer. The Wellington Branch is one of the few that do their collecting before the annumenting, and not only did the President declare the attendance to be twice as larged as last year, but the Treasurer, Mr. Garrett, reported that the collectors had nearly doubled their returns.

CONSECON, Nov. 13th.—This is a new Branch begun only last year, but has come to stay. A splendid meeting was held in the Methodist Church, whose pastor, Rev. J. M. Whyte, is the President. After your Agent had given him.

address and added a few hints on the conducting of a Branch, the officers and collectors were appointed, and the good will with which all the churches are taking up the work assures a splendid new Branch of the Bible Society.

PICTON, Nov. 14th.—Perhaps this was the largest meeting of your Agent's tonr. There were three reasons for this: it is the largest place visited, it was Wednesday evening and the people are accustomed to the Wednesday evening meeting. But what helped most of all was the unity of aim and effort amongst the ministers of the town. They were all there, and they had evidently encouraged their people to come too. Two veteran officers of the Branch retired, Mr. McKenzie and Mr. Dobson, but not without a hearty vote of thanks for many years' services. The meeting was held in the Presbyterian Church.

DESERONTO, Nov. 15th.—Your Agent made two visits to Deseronto with a view to prevent the work here ceasing altogether. The second visit as arranged at the first was with the ministers of the town and the officers of the Branch, at your Agent's suggestion, each minister engaged to preach a sermon on the Bible Society's work on the Sunday following. This prepared the way for a good meeting of the Branch on Nov. 28th when new officers were elected and the collectors started out afresh for the work of the Society.

MELROSE, Nov. 15th.—There was a fair attendance in the Presbyterian Church, presided over by Rev Mr Woodger (Methodist) in the absence of the President. The Treasurer's report showed good work done by the collectors. Bible Society work in this community takes a leading place.

SHANNONVILLE, Nov. 16th.—There was a good attendance at the Presbyterian Church presided over by Dr. Moore, President of the Branch. The Secretary-Treasurer's report showed that good work had been done by the collectors. Those present were representative of all the different churches in the community, and all are interested in the Society's work.

REV. NATHANIEL SMITH.

Substitute for Rev. Mr. Frizzell.

GREENBANK.—We began our work on this district at Greenbank on Nov, 29. We had the valuable aid of the Presbyterian and Methodist ministers of the locality, T. E. Crogg, Esq., also giving us valuable assistance. The meeting was held in the basement of the Methodist Church, and the heartiest sympathy was manifested in the Bible Society by those present.

PORT PERRY.—Owing to the stormiest night of the season, and the evangelistic services being held in the Methodist Church, the congregation in this beautiful town was not what it would have been. But all the ministers of the town were present, with one exception, and we had a very encouraging annual meeting. The difficulty in Fort Perry for some years has been in finding collectors. We trust, however, for good results.

PRINCE ALBERT.—Here we have a people who are loyal to the Bible Society, largely owing to the example and influence of D Cash, Esq., who at the venerable age of 92 still presides with dignity and ability over the Branch, and takes the chair at the annual meeting. We shall not soon forget the hearty reception given to us by this comparatively small Branch. The Methodist elergyman gave us the most cordial assistance.

ASHBURN AND MYRTLE—Here with the assistance of Rev. Mr. Crozier we had a helpful and enthusiastic meeting. We feel confident that this Branch will give a good account of itself in the matter of financial report.

GREENWOOD—The annual meeting of this Branch was held in the Methodist Church, the pastor, Rev. Mr. Robeson, being present and loyally supporting our efforts. The interest in the cause is on the increase here and we expect it will maintain its past good record.

CHERRYWOOD—The Methodist Church at this place was placed at our disposal and we had a large gathering. The Methodist minister kindly co-operated and we had a very fine meeting.

WHITBY—In this historic county town we had a large gathering. All the resident clergy were present but one. Whitby Branch of the Bible Society is one of the most loyal and vigorous in the country, its principal citizens taking a very active part in the work. So far as the canvass has fore this year the results are in advance of any past year. Whitby will reach high water mark this year.

PICKERING—Here too we had fraternal help of a very valuable kind from the Methodist and Presbyterian ministers. The Methodist Church was placed at our service. Here too the people appreciate the work of the Bible Society and gladly give a hand towards its success. The canvass is being well pushed and we are confident the results will be satisfactory.

DUNBARTON—In the Presbyterian Church of this village the people rallied to the support of the interests of the Society. The Rev. Mr. Wood gave us his valuable assistance. The best people of the locality are staunch friends of the Society, and we expect a liberal response from this Branch.

BROUGHAM—Notwithstanding the severity of the weather we had a goodly gathering of the people of this neighbourhood. The Rev. Mr. Harper again gave us his help as he had already done at Pickering and there seemed to be a gracious influence in the meeting. Brougham is in love with the Bible Society.

REV. NATHANIEL SMITH.

Substitute for Rev. Mr. Hassard, Field Secretary.

My appointment to this field was made long after the other appointments were made, and consequently there were difficulties in making arrangements for the meetings within the specified time. Most of the Branches on this district have for years held their meetings independently of the Agent, so that I only visited five of the number.

HOLLAND CENTRE. — Here through the kindness of the Rev. Henry Berry, Methodist minister, though the weather was very unfavorable, were gathered a fair number of the people, and we had an enthusiastic meeting.

FLESHERTON.—Here we had the cordial co-operation of all the clergy. I preached in the Baptist Church in the morning of Sunday, Nov. 5, and in the Presbyterian Church in the afternoon. In the evening we had a large mass meeting in the Methodist Church. The grand old Bible Society is warmly appreciated in this Branch, and the promise is for excellent results.

MARKDALE.—I visited this section of country on Sabbath, Nov. 11th, preaching in the Presbyterian Church, Markdale, in the morning, at Berkeley in

the afternoon, and addressed a very large mass meeting in the Town Hall of Markdale at night All the elergymen here were exceedingly sympathetic, and the offering was very large. We expect large returns.

KEMBLE—Here notwithstanding unfavorable conditions we had a very gratifying meeting in the Methodist Church. Such was the spirit of the meeting that three of the principal men of the place volunteered either to collect for the Society or to see that the collections were made. The Methodist minister lent his valuable assistance. Dr. McRobbie, Presbyterian minister, being absent unavoidably.

WALTER'S FALLS.—Here on Sunday the 18th of November, I preached morning and afternoon in the outlying churches, and on Monday night we held a mass meeting, which because of the almost impassable condition of the roads owing to snowdrifts was meagrely attended. Nevertheless through the enthusiasm of the Methodist and Presbyterian ministers and the Secretary, Mr. Daymen, we had a very interesting meeting. The pastor of the Church of England, in which the meeting was held, was kept from the meeting through the character of the roads.

REV. D. A. THOMSON.

SPRINGVILLE, Sept. 24th.—The Rev. Mr. Wetherall presided at the annua meeting of this Branch which was opened with praise and prayer led by the •Rev. D. A. McKenzie of Centreville. The minutes of the last meeting were read by the efficient Secretary, Mr. Robertson. An excellent financial statement was submitted by the Treasurer, Mr. Smith. Rev. Mr. Weatherall was chosen as President, and he other officers and collectors re-elected unanimously. After the Agent's address he ministers present and some of the officers followed with earnest words on behalf of the Bible Society.

BETHANY, Sept. 25th.—The meeting was held in the Church of England. The Rector of the church, Rev. H. C. Alwin, conducted the opening services assisted by the Rev. Dr. Marven of the Methodist Church, after which the President of the Branch, Mr. George McCartney, took the chair. The minutes of last meeting were read, the Treasurer's report submitted, and the officers re elected. Besides the address of your Agent the President and clergymen present spoke warmly of the Bible Society's work.

CAVANVILLE, Sept. 26th — The meeting was very small, largely on account of a Fair in the vicinity. The Rev Mr. Sexsmith, B.A., presided and opened the meeting with devotional exercises. The minutes of last meeting were read and adopted. The same officers were re elected and new collectors appointed. Mr. Sexsmith is a warm friend of the Society, and followed up what your Agent had to say with earnest words.

PONTYPOOL, Sept. 27th.—The meeting was held in the Presbyterian Church with a fair attendance—The President, Rev. D. P. Oswald, pastor of the church, presided and opened the meeting in the usual way. The Rev. Mr. Chapman, pastor of the Methodist Church, was called away to attend the dying and sent his regrets at thus being unavoidably absent. The officers reports were encouraging. The President followed your Agent's address with a few well chosen remarks on Bible Society work, and called the attention of the people to the Bibles in their own Depository. Mr. Oswald fs a true friend of the work.

JANETVILLE, Sept. 28th.—A good meeting both in attendance and attention. The meeting was held in the Methodist Church. The young people joined

their "League meeting" with this, and the choir enlivened the meeting with a service of song. Mr. E. Richardson presided, Mr. Syers, the Secretary-Treasurer, gave in his reports which were well received and adopted. Your Agent's address was well received. The Rev. Mr. Ward, minister of the church, addressed the meeting and moved a vote of thanks to your Agent. This Branch is well manned in every way.

KEENE AND WESTWOOD, Oct. 6th and 7th.—Your Agent visited the Depository and arranged with the officers to have their reports ready for the next day. Everything was found in good order. On Sabbath morning the meeting was held in the Presbyterian Church and was largely attended. Your Agent addressed the large gathering on Psalm 119: 129, "Thy testimonies are wonderful," setting forth the wonderful Book, and the gool that was being done through the agency of the Bible Society in giving the Book to the world. The reports were read, and the officers re-elected. This is undoubtedly the best organized Branch of the district. In the afternoon a very large meeting was held in Westwood Presbyterian Church. The Rev. D. D. McDonald, B. A., pastor, spoke warmly of the Bible Society's work. Your Agent also addressed the Sabbath schools in both places on the world wide work of the Society. No doubt but this Branch will give a good account of itself this year as it has always done.

MOUNT PLEASANT, Oct. 9th.—It had rained a good part of the day. The roads were bad, the night dark and cold, yet there was a very good attendance. The meeting was held in the Methodist Church. The pastor, Rev. Mr. Sexsmith, B.A., was present and was of great assistance to your Agent, and spoke warmly of the work the Society was doing throughout the world. The President, Mr. Graham, had just returned from the North-west and spoke highly of the work the Bible Society was doing among the Ruthenians. The venerable Secretary and Treasurer, Mr. James McLean, gave in a clear and concise statement of the work of the past year. The choir gave several selections and a very pleasant and profitable meeting was brought to a close with the doxology and benediction.

LAKEFIELD, Oct. 10th—The weather was wet and raw, and the meeting was not as well attended as it ought to have been in a place as large and prosperous as Lakefield. None of the resident ministers were present except Rev. S. S. Burns, B.A., Presbyterian, in whose church the meeting was held. Yet, what the meeting lacked in quantity, it made up in quality, for some of the best friends of the Bible Society were present. Mr. Burns and Dr Burgess followed your Agent's address with warm words of appreciation of the work.

WARSAW, Oct. 11th—The night was cold when we met in the Methodist Church, but there was a good attendance. The President, Rev. W. L. Atkinson, occupied the chair, and with the assistance of the Rev. L. S. Steedman, of the Baptist Church, the meeting was opened with the usual devotion. Your Agent found the Depository in good shape, and the reports from Secretary and Treasurer were very encouraging. Rev. Mr. Steedman was elected President of the Branch, and took occasion to speak highly of Bible Society work. Other speakers besides your Agent were Rev. Mr. Atkinson and Mr. Payne.

HASTINGS, Oct. 21st—The meeting was held in the Methodist Church, and was a union of the Methodist and Presbyterian evening congregations. Nothing is more conducive towards church union than such gatherings. The Rev. Wesley Elliott, pastor of the church, presided and conducted the service. The church was filled with an appreciative audience. The choir rendered good service. A solo by Mr. Joseph Anderson was well received. Your Agent, in his address, emphasized Bible Society work in the west and the value of it in the building up of our nation.

HAVELOCK, Oct. 22nd—The meeting was held in the Presbyterian Church. The Rev. A. E. Camp, Pastor, presided and rendered effective service. There was an excellent attendance, notwithstanding the fact that the night was wet and raw. "The best for years on a week night" your Agent was told. The reports showed a vast improvement, also financially, on past years. Both facts are largely due to three causes—the interest of the pastors, the excellent management of a large district, and the efficiency of the executive and its staff of good collectors. The meeting showed its wisdom in electing Mr. A C. Deinke as President and re-electing the other officers. The collectors and your Agent received a most cordial vote of thanks.

Figst NORWOOD, Oct. 31st—A very good meeting was held here in the Presbyterian Church. It was a union of prayer meetings. The President, Rev. W. H. Adams, occupied the chair. The local Clergy were present and assisted. This Branch is well officered and had their reports all in order for the public meeting. The Rev. James Desson, Baptist Church, was elected President, and in thanking the audience for the honor conferred upon him, spoke strongly in favor of the Bible Society and its work. Your Agent had good attention throughout his address.

REV. MATTHEW E. WILSON, MA.

MANILLA, Oct. 16th.—The annual meeting of this Branch was held on this date in the Methodist Church. The Rev. Mr. Coone, Pastor, conducted the opening devotional exercises and presided during the evening. The choir rendered very effective assistance during the evening. In common with the growing sentiment in many of the Branches, the preference for Sabbath services in behalf of Bible Society work received very decided endorsation, and next year this Branch hopes to receive the Azent's visitation during the Sabbath worship. The tone of the work here is hopeful and your Agent enjoyed his visit, together with the genuine hospitality of Rev. Mr. Coone.

DUNSFORD, Oct. 17th.—The annual meeting of this loyal and very energetic Branch was held in the Methodist Church, the President, Mr. C. Hoar, presiding. The meeting was well attended and the audience appeared to be very much interested in Bible Society work. The reports were all complete and encouraging. The territory operated by the Branch was carefully arranged and fully covered, by efficient collectors. The Branch at Dunsford is one of the most promising of our local branches, and will always extend a cordial welcome to the Agent of the Upper Canada Bible Society.

BOBCAYGEON, Oct. 19th.—The village of Bobcaygeon is very pleasantly situated on the Karwatha chain of waters and is rapidly coming into prominence as a summer resort. From the number of churches one sees on passing along the public ways, one would think that every moral and religious interest would be well anstained. However true this may be, Bible Society work hardly shares in any great public interest. The annual meeting was held in the Methodist Church and very poorly attended. The officers of the Branch were present with a few interested friends, principally ladies. The Rev. Rural Dean Craighton who is also Branch President, and a very loyal friend of the work, presided during the evening. The other clergy of the village were also present. No one seems to be discouraged however, and the Branch seems to be determined that next year's annual meeting will present a different aspect. Your Agent was well received, and was much encouraged by the loyalty of the officers of the Branch.

CAMBRAY, Oct. 23rd.—A most interesting occasion was the annual meeting of this Branch held in the Presbyterian Church. W. B. Feir, Esq., presided and an audience much larger than the previous year very attentively listened to an address from the Rev. Mr. Tonkin, an old friend of Bible Society work, and a former Agent of the Society. Your Agent's address was also well received. The work of the Branch was reported in good form, and the outlook and interest most encouraging. The annual meeting was in every way encouraging.

GLENARM, Oct. 25th.—Bible Society interests are not likely to suffer at Glenarm while the Rev. Mr. Ferguson, and the Rev. Mr. Williams, have anything to do with this community. Your Agent experienced some difficulty in getting arrangements completed for the annual meeting, but finally succeeded through the assistance of the above named gentlemen. The meeting was held in the Methodist Church at Hartley and was well attended and interesting. The prevailing opinion here was decidedly in favor of Sabbath visitation. The Rev. Mr. Ferguson hopes for this next year, and it is hoped his wishes may be met by your Agent in planning his visitation. The whole community could be reached through this pulpit on a Sabbath and it will greatly assist our work, by conceding their desire.

LITTLE BRITAIN, Oct. 28th.—The business meeting of this important Branch.was held on Saturday evening, and your Agent was privileged to preach in the large and commodious Methodist Church at Sabbath morning worship to a good sized congregation, notwithstanding one of the most disagreeable storms of the autumn season. The interest of this Branch in our work is in every way commendable. Much of the credit of this interest is due to the loyalty of the Rev. Mr. Moore to our work, and the painstaking care of Mr. McKee, the worthy Secretary of this Branch, both residents of the village. Your Agent was only the more pleased to concede to the request of the Executive here for Sabbath visitation. More and more the Branches are demanding this, and more and more, in your Agent's humble opinion, will the merits of Bible Society work prevail, should the desire become general as it seems amongst the Branches.

VALENTIA, Oct. 23rd.—The services of your Agent were given to this Branch on Sabbath afternoon as previously arranged by the Rev. Mr. Moore, the efficient and influential minister of the charge. A large congregation was present, and seldom has it been the privilege of your Agent to notice such interest as was manifested on this occasion. It was not very difficult to see that not only had God's Holy Word a strong hold upon the affection and sympathy of the people, but that the community was equally interested in its circulation throughout the world. The outlook of the Valentia Branch is hopeful indeed.

OAKWOOD, Oct. 28th.—The Oakwood Branch was also desirous of Sabbath visitation. Through the kindness of Rev. Mr. Brown in giving the use of his pulpit, and yielding the evening service in his church, your Agent was able to meet the wishes of the Branch. A very large congregation assembled in the Methodist Church, and your Agent was able to present the claims of our work before a very wealthy and populous community. The reports of this Branch were all encouraging. Particular mention might be made in reference to the Depository; no rural Branch in the district has sold so many copies of the Scriptures. The stock was kept in a prominent position in the chief business stand in the village, which no doubt accounts largely for the amount of sales made.

FENELON FALLS, Nov. 7th.—The annual meeting of this Branch was convened in the Anglican Church, of which the Rev. Mr. Scott is incumbent. Mr. Scott conducted the devotional exercises, after which very encouraging reports were

presented and acted upon. Officers were re-elected and the rest of the evening was given to your Agent. All the churches in the village with their respective ministers were represented. The audience was large and attentive, and the interest in Bible Society work very healthy. A felicitous vote of thanks was tendered your Agent for his address, and a very successful meeting brought to a close with the benediction by the Incumbent.

WOODVILLE, Nov. 11th. - Arrangements had been fully completed for this visit of your Agent to the Woodville Branch in the month of October. On the evening arranged your Agent was present and the Executive of the Branch in the Methodist Church which had been prepared for the meeting. An unusually severe storm prevailed at the time of meeting, and the people did not assemble. In view of all the facts the executive decided to hold another meeting on a Sabbath, when all the congregations of the village would assemble in the large Presbyterian Church. The Rev. Mr. Kennwin concurred in this, and rendered every assistance to make the occasion the success it proved to be. Your Agent was requested to return and preach in behalf of the Bible Society; the request was conceded. The meeting was fully announced through the energetic interest of Mr. Caverley, the President, and the local clergy, with the result that one of the largest and most successful Bible Society meetings ever held in Woodville was realized. It is of interest to note that the Branch at Woodville enjoys a history of which any Branch might be proad. This Branch was organized by the late Rev. J. McTavish on Feb. 22nd, 1846. But one of the officers of this organization remains, and he is an officer still, Mr. J. C. Gilchrist, the honored Depositary. This Branch in those early days supported a Colporteur, who did effective missionary work in the regions and forests of the north. The minutes of the Branch have been carefully preserved by Mr. Gilchrist, and your Agent was greatly interested in looking over the records of those early days.

SONYA, Nov. 20th.—On two occasions did the Branch at Sonya endeavor to hold its annual meeting, but the best efforts of both the Branch and your Agent, were interrupted by unfavorable and inclement weather. As the work of this Branch requires some adjustment in the judgment of the executive committee, it was deemed advisable to hold a general meeting at an opportune season, when the holidays are over and readjust the conditions which require the attention of Bible Society work in the large and wealthy sections.

WILFRID, Nov. 21st.—On account of local affairs in the church at Wilfrid, the visit of your Agent to this Branch had to be postponed until the above date. The evening was very stormy and only a few persons were present at the place of meeting. While the Branch is very capable and earnest in its work, the occasion of the annual meeting was not satisfactory because of the storm, but through the kindly interest of the Rev. Mr. Higgs, the popular minister residing in Wilfrid and efficient officers the work of the Branch will be promoted within the bounds worked by the Branch during the year.

REV. R. W. WRIGHT.

ST. GEORGE, Oct. 3rd, 1906.—The meeting was held in the Methodist Church. Rev. Mr. Hawkins, Baptist minister, and Rev. Mr. Marshall, Presbyterian, were present and assisted. This Branch is well officered and doing good work.

NEW DURHAM AND BEACONSFIELD, Oct. 4th.—Here again we met our old friends, Messrs 'Charles Walker, President, and Philip Kelly, Secretary-Treasurer. A small meeting on a dark night, in the Friends' Church. The work here is in safe hands.

SCOTLAND AND OAKLAND, Oct. 5th.—The meeting in the Baptist Church was not large. The Pastor, Rev. Mr. Saunders, assisted your Agent. The same officers were retained, and will keep up the interest in the Society's work.

WASHINGTON, Oct. 7th.—Through the courtesy of the pastor, Rev. T. R. Clark, your Agent was permitted to address the congregation here at the regular Sunday morning service, thus securing a larger attendance than we would have had on a week night. We expect a good report.

DRUMBO, Oct. 7th.—This was our last meeting. The regular services were withdrawn at all the churches, Baptist, Methodist and Presbyterian, and a mass meeting was held in the Baptist Church at 3 pm The pastor, Rev. Mr. Harris, conducted the devotional exercises and your Agent gave his address on "Some Present Aspects of Bible Society Work," so we had a very large and attentive audience. A very liberal plate collection was taken up for the Society's work. Much credit is due to Mr. C. K. Curry and the other officers for this successful meeting.

PLATTSVILLE, Oct. 7th.—Owing to revival services in progress we found it impossible to arrange for a meeting. Through the kindness of Rev. Mr. Johnson we were enabled to address the Presbyterian congregation briefly on the Society's work. We afterward met the President and Secretary-Treasurer and arranged for the effective carrying on of the work here.

BRIGHT, Oct. 8th.—Meeting in the Methodist Church, the pastor, Rev. Mr. Brand, kindly assisted. A good meeting and an interested audience.

INNERKIP, Oct. 9th.—Meeting here in the Methodist Church. The pastor, Rev. Mr. Card, and Rev. Mr. McCullough, Presbyterian minister, gave efficient help. Here as elsewhere the people seemed deeply interested in your Agent's address. This whole district is in a satisfactory condition, and every Branch has able and interested officers.

BRANCH REPORTS.

REPORTS OF BRANCH SOCIETIES WHICH HELD THEIR
MEETINGS WITHOUT AN AGENT.

BARRIE-The committee have pleasure in stating that financially the past year has been about the best in the history of this Branch Society, the contributions alone amounting to \$195.00. The committee feel that this success is largely due to a more thorough canvass of the town having been made, and the increasing liberality of our townspeople towards the objects of this Society. It is felt that the work of the British and Foreign Bible Society, and its many Auxiliaries and Agencies throughout the world, all Christians can heartily join. In our own Dominion, Bible Society workers have been unusually active. As a result of the Conference, which was held in Toronto, in the Fall of 1904, to which this Branch sent a delegate in the person of Rev. C. S. Pedley, all the Canadian Auxiliary Societies, some 15 of them, have become federated, on a similar basis as to scope and powers as the Provinces themselves were united in 1867, so that we have now one Society for the whole of Canada, including Newfoundland, known as the Canadian Bible Society, Auxiliary to the British and Foreign Bible Society. Our own Provincial Society is under the able presidency of N. W. Hoyles, K.C., of Toronto. And we have now a monthly magazine called the "Bible in the World," which is beautifully illustrated with interesting articles on the work in all lands. We regret that His Honor Judge Ardagh, who has been the President of this Branch for many years, is unable to attend this Anniversary owing to ill health. The committee bespeak for him the cordial good wishes and prayers of all for a bon voyage and speedy restoration to health, and in this good wish for health, we couple the name of Rev. Dr. McLeod. a worthy Vice President of this Branch Society, who is also ill. The sales at the Depository since June 8th amount to \$16.00, and goods in stock there \$12.60. The thanks of the Society are due to all those who have assisted in the cause in the past year, especially the collectors. Notwithstanding the many demands made upon the pockets of our citizens, we trust the paramount claims of the Bible Society will not C. W. PLAXTON, Sec'y Treas. be overlooked this year.

BEAMSVILLE—United services were held on October 28th, 1906, in the Presbyterian Church. The Methodist, Presbyterian and Baptist congregations filled the church, and Rev. J. Muir, of Grimsby, gave the address. Report of the last year was encouraging, and Dr. F. Comfort was appointed Vice-President in the place of his late lamented father.

H. T. MILLER, Secretary.

BRUCEFIELD—The annual meeting of this Branch of the Upper Canada Bible Society was held in the Methodist Church, Brucefield, on the evening of October 24th. In the absence of the President, Mr. Wm. Fotheringham, Rev. A. H. Brown occupied the chair. After opening exercises and routine business, in which all the

officers of the Brauch were re elected, the Rev. W. E. Hassard addressed the meeting and illustrated his address with a large number of lantern slides; his lecture and illustrations were highly appreciated by the large number present. Music was furnished by the Methodist choir. A very pleasant evening was spent.

GEO. BAIRD, Secretary.

COMBER AND WEST TILBURY-The Comber and West Tilbury Branch Bible Society held its annual meeting in the Methodist Church on Sabbath evening November 4th, 1906. The President, Mr. J. E. Mitchell, conducted the meeting, and addresses on the Bible and the work of the British and Foreign Bible Society were delivered by Rev. J. Morrison and Dr. J. Frazer Smith. The work of the past year has been successful, over \$65 00 being raised, which speaks well for the interest of the people in this work of the Society. The officers and committee were reappointed for the ensuing year, and the meeting was closed with the benediction.

ROY AINSLIE, Sec'y-Treas

CORINTH, Dec. 22nd, 1906-The Rev. R. A. Miller, resident minister, took up the Bible Society work here this year; he delivered stirring addresses at his three appointments, viz., Corinth, Bayham and Richmond, and has awakened a deep interest in the work of the Society. J. Amoss, Secretary.

CRAIGVALE AND STROUD-The annual meeting of this Branch of the Bible Society was held in the Presbyterian Church, Craigvale, on the 4th Nov, The Rev. R B Beynon and the Rev. Mr. McKetrick conducted the opening report of the last year's work. Collection, \$86.00, appropriated to the British and Foreign Bible Society, \$32.00; to the Upper Canada Bible Society, \$32.00, and to Quebee Bible Society, \$25.00. The Rev. Mr. McKetrick gave an excellent address on the needs of the Society's work in our own country, where so many are coming from home and foreign lands, who need the Word in so many different languages of the 400 now published. Rev. Mr. Beynon spoke of the help the Society gave the missionaries in foreign lands. A union choir conducted the service of praise. After the appointment of the officers and collectors, the choir sang the anthem, "Far, Far Away." R. G. McCraw, Sec'y-Treas.

DELHI--Our annual meeting was held on the evening of October 11th, with Vice-President Lawson in the chair. After devotional exercises and the usual reports, addresses were given by Rev. Messrs. Heaven and Morrow, both emphasizing the fact that, through the work of the Bible Society, the Bible is now translated into 400 different languages, and thus is being fulfilled the last command of our Lord, "Go ye into all the world and preach the Gospel to every creature." The choir rendered several selections during the evening, which added greatly to the interest of the meeting. Although the contributions this year are not so large as those of last year, we are not at all discouraged. IDA L. FOSTER, Sec'y.

The officers and committee were all re-elected, as were also nearly all of the fifteen pairs of lady collectors. With each collector's book was given a sample copy of the "Bible in the world," so that the collectors might secure subscribers. The Branch is under deep obligation to the Bev. R. H. Shaw and Rev. A. J. Johnson, of Woodstock, who gave us inspiring a dresses. We are looking forward to a visit from the Field Secretary in the new W. JOHNSON, Secretary.

Mr. Hussar spoke from a verse in the 117th Psalm, "Thy testimonies are wonderinl." The address was well prepared and received marked attention from all present. Mr Dobson gave a short address on Bible Society work. The Rev. T. Farr sent regrets at not being able to attend on account of the Society's Agent holding a meeting in one of his churches in Wroxeter same evening. The night was fine and the large church was filled, the gallery having to be made use of The choir of the church gave good assistance. Meetings in connection with this Branch were also held in three outlying districts-Maine Methodist Church, Orange Hill Methodist Church, and Redgrave Congregational Church. Addresses were given by the President, Mr. W. Castell, Mr. W. Watters and the minister in charge of the congregations. These addresses were full of information with regard to the great work the Bible Society is doing throughout the world. The Secretary distributed a large number of the annual reports and of Bible Society literature at these meetings. The meetings were held on Sunday at their regular hour of service. In this way a large number get information about Bible Society work that never attend any of our other meetings. We also make good use of our local paper, The Record, its genial editor, Mr Watters, assisting us in every way he possibly can to increase the interest of T. Goggin, Sec'y-Treas. the community in Bible Society work.

CROMARTY, Dec. 26th, 1906—The annual meeting of the Hibbert Branch Bible Society was held in the Presbyterian Church, with the Rev. Wilson, President, in the chair Devotional exercises were engaged in and the annual business gone through with, and a very hearty vote of thanks tendered the collectors for their faithful service, for we have much to be thankful for in the growth of the givings, which are increasing year by year, and we attribute it to our pastors in their earnest work. We then listened to a beautiful selection of music by the choir, after which, a stirring address by the Rev. Dr. Cranston along the line of what the Bible has done for the world in uniting the great denominations, and the blessing we as a people enjoy by having the Bible in our homes, and the blessed privilege we have in sending it to others. Singing by the congregation, followed by an address by the Rev. Mr. Doharty, taking for his remarks, "Why I believe in the Bible and why we should support the Bible Society," making many strong impressions on the audience, which was a large one. REPORT OF REV. F. W. GOODEVE, M.A. WHO VISITED ALBERTA AND BRITISH COLUMBIA AS SPECIAL AGENT.

NEEPAWA, 30th Oct. 1906.

The Board of Directors,

Upper Canada Bible Society.

DEAR SIRS,-

Pursuant to appointment by your Board, I began work in Alberta, Sept. 26th, in the town of Medicine Hat. At Calgary, I met the Executive Committee of the city, and arranged a programme of visitation of the towns and cities in Alberta. Arrangements were also made for holding the annual meeting of the Branch on my return journey. From there, travelling by the main line of the C. P. R. I visited in succession, Banff, (where I addressed three meetings on Sunday, Sept. 30th.), Golden, Revelstoke, and Kamloops.

At Vancouver I met the Executive Committee on Friday evening, Oct. 5th. The situation in the province, and particularly in the city and vicinity, was discussed at length, and I was asked to emphasize to your Board, or rather to the Board of the Canadian Bible Society, the strong opinion of the Vancouver Executive, that the results of such a visit as mine were to a large extent dependent upon the systematic following up of the interest aroused, and that the appointment of a permanent Secretary, giving his whole time to the work was a most urgent necessity. The Executive has, I believe, forwarded a strong resolution to the Board of the Canadian Bible Society, urging the taking of this step. They do not feel able to undertake the financial responsibility of such a step at the present time, but feel certain that if the Central Board will provide the support of such an officer, in two years at least, the results will more than cover the liabilities

involved. Abundant and most pressing fields are continually opening in the province, that can be attended to only by an officer on the ground, and conversant with local conditions.

I reached Victoria on Saturday evening, and had the opportunity of addressing three audiences on Sunday, in the interests of the Society. During the week I visited Duncan's, Ladysmith, and Nanaimo, and returned on Saturday to Victoria, where I met the Executive. There was a very good meeting, indeed, and after presenting a report of my work in the Island, the question of the organization of the Province was discussed. As in Vancouver, I was asked to represent to the Board of the Canadian Bible Society as strongly as possible, the need of a permanent executive officer, and the assurance of the Victoria Executive that it would be a matter of a year or two only, when the results would prove the wisdom of such an appointment. The abundant fields for Colportage work, were pointed out, and action urged.

Returning to Vancouver, I preached twice on Sunday, and during the week addressed three meetings, in the city, and one at Chiliwack. The Executive here are planning to hold their annual meeting about the end of the month.

At New Westminster, on Sunday, Oct. 21st, I addressed four meetings and had the splendid opportunity of addressing the Ministerial Association on Monday morning, afterwards meeting the officers of the Society. This is the oldest branch of the Bible Society in British Columbia and has always done great work. I left there the same day for the Kootenays.

To sum up: The field for operations on the Pacific Coast is very great indeed. Colporteurs are most urgently needed. I believe that they can be obtained through the aid of the local clergy, as soon as an agency for their maintenance and direction is established.

Then, the visits of occasional representatives are, to a large extent, profitless. On a single trip, a stranger simply learns th

ground. Branches everywhere ask, "What about the future?" Only a permanent society can maintain interest. There were numerous towns that might be visited, and branches formed therein, had I had time. In several places, the results this year may be very small, but the way is prepared for better work in the future. It must be followed up. Correspondence with local officers keeps interest alive, and ensures work. I certainly endorse to the full the request for the appointment of a permanent Secretary.

Very Faithfully Yours,

F. W. GOODEVE.

NEPAWA, 8th December, 1906

To the Board of Directors,

Upper Canada Bible Society.

DEAR SIRS:

My first report dealt with my work on the Pacific Coast. I left Vancouver on Monday, October 22nd, via Great Northern, for Phænix, arriving there after much delay on Tuesday evening, at 7.30. A meeting had been called for that night, but only three persons turned up, so no attempt at organization was made.

At Grand Forks I met one of the clergymen of the town and learned that a Branch was feasible in that town, but owing to railway connections could not arrange it on this trip without great expense.

At Rossland a good meeting was held and promises held out for active work. At this, as at other towns in the Kooteneys, the great opportunities for valuable colportage work was pointed out to me.

At Nelson I addressed three meetings on Sunday and had a pleasant hour with the Ministerial Association. They were most enthusiastic as to the needs of colportage work and said it was little use coming to such communities as theirs for aid unless visible evidences of the activity of the Bible Society were to be found. I

promised them that such was the intention of the Bible Society, and that the delay was in fact due to the transition stage in the Society's work, and also to the difficulty in getting suitable men.

At Cranbrook I was unable to arrange a meeting through various causes, but spent a few hours there and met a number of those interested. It may be counted upon as a regular point.

Fernie was in the throes of a strike, and in consequence, there was a feeling of depression abroad. Still, I had a good meeting and have promise of active support of our work.

I had arranged a meeting for Pincher Creek, but owing to my train being five hours late, could not make connections. However I met a handful of friends of the Society, and they promised to help in every way possible in the future.

McLeod had a poor meeting for a town of its size. Organization was made and they promised to do their best for the Society. Commencing with this point was able to make connective appointments without difficulty, preaching every day in the week, except Saturday, for the next three weeks. The towns in Alberta from McLeod to Edmonton have excellent railroad connections which facilitates fulfilment of appointments.

At Lethbridge no public meeting had been arranged for me, but I preached in two of the churches and addressed three Sunday Schools with regard to the work of the Society. The open offertory given me at the evening service was the largest on my journey

I visited Claresholm and High River in the beginning of the week. These are both new points for Bible Society work, but gave me a very hearty reception and many encouragements. At High River I was fortunate to meet nearly a score of ministers of all the churches in Southern Alberta, and was privileged to address them at a Ministerral Association. The four present from Navton formed a Branch for their town and asked for a future deputation from the Bible Society.

Calgary held their annual meeting in the First Baptist Church on the evening of November 7th. The President, Mr. Thomas Underwood, presided. An entirely new staff of officers was elected, with Mr. Jno. E. Irvine, a veteran friend of the Society from the East, as the new President. There was an evident recognition of the claims of the Society, and a promise of still more vigorous participation therein in the future than in the past.

Didsbury, Olds, Innisfail, Red Deer, Lacombe, Ponoka, Wataskiwin and Leduc were visited in the order named. Ponoka is a new point for Bible Society work. All these places had more or less satisfactory meetings, with due organizations formed and plans laid out for systematic collections on behalf of the Bible Society. But the need of systematic reminders to these places of the need of returns regularly was impressed upon me.

I spent Sunday, November 18th, in Edmonton, preaching in two of the churches and addressing the Sunday Schools in the afternoon. The Edmonton executive are arranging for the first Sunday in December as Bible Society Sunday. In proportion to their numbers I have found that the larger the towns the more difficult is it to obtain interest in the Bible Society.

I visited Strathcona, Okotoks and Gleichen in the order named holding good meetings in each. The last named has always been a tried friend of the Bible Society, and carefully canvassed the whole community on behalf of the Society.

From this point I took the main line of the C. P. R. to Carberry, and thence to Neepawa by C. N. R., arriving home at noon on Friday, having been absent from home two months, less one day.

During my trip I travelled over 4,336 miles, visited 37 places in the interests of the Society, delivered 61 addresses (including those at meetings of Executives and Ministerial Associations) in the last twenty consecutive days giving 29 addresses, I find a great deal of ignorance in many places as to the work and scope of the

Bible Society, together with too much of that narrow parochialism found everywhere. Nevertheless, I have had great sympathy for the most part, and the promise of tangible assistance in the great work before us.

I only desire to reiterate, at the risk of tediousness, that the work can only be done properly by a District Secretary, free to devote his energies to the work, and with a local executive to which he is responsible. I am sending a personal letter to each clergymen I have met, thanking them for their assistance to me and for the sympathy displayed towards the work.

I have the honor to present these, my reports, to your Board and trust that they will prove satisfactory. Any further information in my power I will gladly give.

Yours very faithfully,

F. W. GOODEVE.

REPORT OF FIELD SECRETARY.

Several years ago when in attendance at College, I, with others, listened to the earnest words of a young man, born in India, who was about to finish his college course and return as a missionary to that land where his English parents had labored for some time. Under the influence of that address I was moved to sign a pledge to the effect that if the Lord should open up my way I would be willing to give myself to the toreign field. As far as I have been able to judge, my way was not opened to that line of action, but from that day I have been intensely interested in missions. During the past few years I have had the delight of seeing the missionary interest develop in the churches over which I have been pastor, and now I fee! that more than ever I am identified with the great world-wide missionary endeavor.

It is now over a year since the first intimations came to me that there was a likelihood of my being connected officially with with the work of the Bible Society. At first I had to ask what it all meant, and then came the distinct impression that the Master who issued the commission "Go ye," was opening up the way to greater usefulness. So with a full appreciation of the responsibility of the office, and with the assurance of entering upon a work that demanded the very best I could render, I took up my duties as Field Secretary of the Society on the first of May. The first two months were spent in preparation and in speaking in several of the churches of Toronto, with a few visits outside.

TRIP TO NEW ONTARIO.

About the first of July a trip, extending over five weeks, was taken through New Ontario. This gave me a splendid opportunity of looking over the field in the northern part of the Province out as far as Fort William. I also had the privilege of seeing Col-

porteurs Digby, Tester and Steele, three consecrated young men whom I had started on their work in the month of May, faithfully visiting the people with the Word. What wonderful development is to be seen in this section! Some fourteen years ago I had been a missionary at Bruce Mines, and it is not strange that I saw many changes. One of the most pleasing experiences I had was the meeting with a young lady at Fort William who was engaged in work among the foreigners in what is styled the coal-dock section of the city. One evening last fall, so I am informed, she had some fifty foreigners in her class, all speaking twelve different languages. As I have thought again and yet again of the foreign problem, I have prayed that there might be more like Miss Leech to do similar work. We hope to give better attention to the Colportage work in this part of the country.

ANNUAL MEETINGS.

On my return from the North preparations had to be made at once for the visits to Branches in connection with their annual meetings. Districts were allotted to the various Provisional Agents, and a number of Branches were placed under my charge I visited during the six months the following Branches:—Bowmanville, North Bay, Mattawa, Cache Bay, Sturgeon Falls, Sudbury, Port Arthur, Fort William, Sault Ste. Marie, Ancaster, Downsview, Uxbridge, Aurora, Lloydtown and Schomberg, Temperanceville and King, Newmarket, Dundalk, Dungannon, Nile, Auburn, Goderich, Bayfield, Varna, Hullett, Clinton, Kippen, Brucefield, Blake, Shelburne, Orangeville, Honeywood, Horning's Mills, Corbetton, Elora and Alma, Maple, Grimsby, Winona, Alberton, Carluke, South Etobicoke, St. Catharines, Thornhill, Richmond Hill, Laskey, Oakville, Weston, Woodbridge and Pine Grove, Lindsay, St. Thomas, Acton, Cobourg, Markham, and Mono Mills, (53),

NEW BRANCHES.

I had the pleasure of organizing new branches at Powassan, Milberta, New Liskeard, Haileybury, Cobalt, Webbwood, Copper Cliff, Schreiber, Thessalon, Gore Bay, Laurel and Chester. (12)

OTHER SERVICES.

During the same period I had the opportunity of preaching in eighteen churches in Toronto and visiting six Sunday Schools. All these services gave me a splendid chance of giving information to both old and young. Some fifteen committee meetings were attended. Three Conferences, one at Port Perry, another at Niagara Falls, were visited and the claims of the Society presented. Three lectures were given at Bruce Mines, Macbeth's Bay and Little Current. Besides all these a large number of interviews with different persons on various phases of the work were held. These several meetings required the travelling of over five thousand miles.

USE OF THE LANTERN.

In the month of June the Board considered the advisability of providing me with a lantern. It was used at every meeting of the Branches and proved to be of exceeding usefulness. The fact of the matter is that if it were not for the lantern the attendance at several of the meetings would not have been so large. It proved to be a great attraction to the boys and girls in various places and even for this I believe that it was a wise investment on the part of the Board. We must get the attention of the rising generation so that we may have a constituency to appeal to in the days that are shortly to be.

GENERAL IMPRESSIONS.

The work of the Society is worthy of the very best attention of everyone. In these days of great missionary activity and the many other factors that are at work to better the condition of

mankind much has been lost sight of in providing the Word of God for all. Here and there are staunch friends, but the great multitude do not realize the importance of this work. It has been a great delight in various parts of the province to give the information that leads to inspiration to do more for the Society. The months that have gone all too swiftly have been full of delightsome service and it is with heartfelt thankfulness to the Giver of the Word that I enter upon the work of another year with increased desire to be of greater help to the work of the Upper Canada Bible Society.

All of which is respectfully submitted.

Toronto, Jan. 1st, 1907.

W. E. HASSARD, Field Secretary.

THE SIXTY-SEVENTH ANNIVERSARY OF THE UPPER CANADA BIBLE SOCIETY, HELD IN THE CARLTON STREET METHODIST CHURCH, ON THE EVENING OF JANUARY 31st, 1907.

The Sixty-Seventh Annual Meeting of the Society was held in the Carlton Street Methodist Church, on the evening of January 31st, 1907.

The President, N. W. Hoyles, Esq., K.C., LL.D, was in the chair, and Canon O'Meara, Principal of Wycliffe College, Toronto and Rev. A. B. Chambers, D.D., took part in the devotional service. The Hon. J. P. Whitney, the Premier of the Provincial Parliament, had hoped to attend in support of the cause, but was prevented by public duty, and an apology for his regretted absence was read.

A synopsis of the annual report, as printed and circulated, was adopted on the motion of Rev. Jesse Gibson and Mr. C. R. Cooper. Mr. Gibson said that it was one of the best reports that the Society had ever submitted. Over one hundred Branches in Manitoba and Saskatchewan had been detached to form the Winnipeg Auxiliary, but in spite of this loss, the income for the year had been about the same as previously.

The statement of the Treasurer, Mr. Elias Rogers, showed that the free contributions received from Branches amounted to \$28,367, and donations and bequests to \$5,075. The total receipts from all sources, including sales of Scriptures through depositories

and colporteurs, had been \$44,534. The collections made in the City of Toronto had doubled.

The two chief speakers were recent acquisitions to the preaching force of the city, the Rev. George Jackson, B.A., for many years in Edinburgh, Scotland, having come out to minister for three years to the Sherbourne Street Methodist Church, and the Rev. John McNeil, B.A., of Walmer Road Baptist Church, having removed "away back east" from Winnipeg. Their addresses were altogether admirable.

The Rev. Mr. Jackson stated that as he was a stranger to the work in Canada he could not deal with details but would speak on general principles. He took it that the Society was not for argument or defence but for propogation. Where the Word of God is concerned no argument for the Society like that of circulation. Scatter the Word and it will take care of itself. This is not to say that there is no need for apology. But the Book affirms. It proclaims. It does not call to argument. What we especially need is a recovery of the old imperial accent. To the apostles the Word of God was a divine Word. However the work of the Society is not to defend but to scatter abroad. To make known to all men what God has made known to us. When the Word gets to work it puts all its enemies to silence. What can be said to facts? There are problems to-day. "Is this a Word for all men?" "Can we expect the Brahimin to accept this?" "Is this the final Word of God to man?" The last answer comes not from the study but from the life. The evidence for Christianity is a Christian. Let us trust God's Word to do God's work. The message is plain to us—to put the Word in the hands of men. It will establish itself in the hearts of men.

Mr. Jackson illustrated his subject from varied fields of history and experience.

Rev. John McNeill, speaking with the energy and national enthusiasm of the West of which he could speak from experience,

took as his subject the relation of the Bible Society to the national life of the Canadian people. The Bible was the antidote to the materialism which beset a people entering into possession of the immense resources and wealth of the Dominion. The Bible was the chief factor in creating a Canadian national type. The polyglot people settling in the West might be anything, high or low, according to the powers shaping them. The Bible also was the great instrument of evangelism, and colporteurs were among the truest evangelizing agencies. Where men go the Bible ought to go and where the Bible ought to go you and I ought to send it. The Bible ought to be the chief factor in our nationalism. Look at the vast multitude that during the last year came to us-215,782 immigrants, of whom 144,923 came from Europe, tens of thousands speaking foreign tongues and representing fifty-four different nationalities. Fusion will make the Canadian type. Have we anything to do in the formation of this type? There is a great possibility of the balance of power passing to the West. In view of this consider the experience of the United States. See the reaction on New England of its own force that it gave to the West. Shall it be the anarchy of Italy, or the capitalism of America or the nihilism of Russia?—for they are all there. Or shall it be one great shape beaten out? The Bible is the reply to that problem of our nationalism.

The General Secretary of the Canadian Bible Society, Rev. R. E. Welsh, D.D., and the Field Secretary, Rev. W. E. Hassard, B.A, B.D. gave short reports of their work during the year.

The Lieutenant-Governor of the Province of Ontario, His Honour W. Mortimer Clark, K.C., in his address at the close of the meeting said that it had been the best meeting he had ever attended in connection with any such religious society.

The Rev. John Potts, D.D., brought the well attended and stimulating meeting to a close with the benediction.

This Society shall be called "The Canadian Bible Society Auxiliary to the British and Foreign Bible Society," and shall embrace the following Auxiliaries of the British and Foreign Bible Society, which have joined in the formation of the Society, namely:—Upper Canada, Western Ontario, Perth, Montreal, Quebec, New Brunswick, Fredericton, Nova Scotia, Prince Edward Island, New Glasgow, Pictou, Newfoundland, Ottawa and Miramichi, and shall also embrace all other Auxiliaries in the Dominion of Canada which may be hereafter formed and which the General Board shall by resolution accept as constituent Auxiliaries of this Society.

2. The sole object of the Society shall be to encourage the wider circulation throughout Canada and Newfoundland of the Bible without note or comment and to assist the British and Foreign Bible Society in

its world-wide work.

3. The affairs of the Society shall be managed by a General Board, composed of members elected annually by the Auxiliaries in the following proportions: One member for each Auxiliary; one additional member for each Auxiliary having between 25 and 50 Branches; and in the case of an Auxiliary having more than 50 Branches, one additional member for each additional 50 Branches, or fraction of 50, such fraction to exceed 25. The calculation shall be based on efficient and contributing Branches. The respective members shall hold office until their successors are appointed. The Honorary General Treasurer shall be a member of the Board, and the General Secretary shall be a corresponding member.

4. The Board shall elect from among their number a President, two Vice-Presidents, and a Corresponding Secretary who shall act as Recording Secretary, and shall elect from among the members of the Board of

one of the Auxiliaries an Honorary General Treasurer.

5. All persons who are members of the Board of any Auxiliary, and the President, Treasurer and Secretary, and members of the Committee of any Branch, shall be eligible for election as members of the General Board, but no paid officer of any Auxiliary shall be eligible.

5. The headquarters of the Society shall be in Toronto.

7. Auxiliaries shall administer such portions of their revenue as they may need for colportage within their territory and for other local Bible Society work. Auxiliaries shall remit to the General Treasurer every six months or oftener, out of the funds available, such sums as the Auxiliary Boards may appropriate for that purpose, and all moneys so remitted shall, unless otherwise designated, be used by the General Board for the extension of the work in Canada and for free contributions to the Parent Society, due regard being had to the recommendations of the Auxiliary remitting. Nothing herein contained shall be held to interfere with the control by any Auxiliary over its own work and its own property.

8. The General Board shall administer such money as may come to their hand from other sources, and in like manner shall use the same for the extension of the work in Canada and for free contributions to the Parent Society. The Society shall not at any time canvas or appeal for funds except through the Auxiliaries, and any money sent direct to the Canadian Bible Society through lack of knowledge of this rule or from any cause shall be credited to the Auxiliary in the district from which it came.

9. A General Secretary, who shall reside in Canada, shall be appointed by the British and Foreign Bible Society, after consultation with and approval by the General Board. He shall have no authority over the work in the Dominion of Canada, except what may be accorded him by the General Board. His general duties shall be decided upon by the General Board in consultation with the Parent Society. He shall prepare the Annual Report of the Society, which shall contain a statement of its operations and also a resume of the work and finances of each Aux-

iliary and a summary of the work of the Parent Society.

10. No alteration to these Articles shall be made except at a General Meeting of the Board and after three months' notice of the proposed alteration has been given, when such alteration may be made by a three-fourths vote of the members of the Board, provided that, in case any member shall require the vote to be taken by Auxiliaries, the concurrence of a majority of the Auxiliaries voting on the basis laid down in clause 3 shall be required, and in such case the majority of the members representing each Auxiliary shall cast its vote. may be filled by the Executive Committee.

4. The Board shall appoint ten of its members, who, with the President, Vice-Presidents, Treasurer and Corresponding Secretary, shall be an Executive Committee, which, when the Board is not sitting, shall, subject to any direction of the Board, have authority to transact the business of the Board.

5. The Executive Committee shall meet semi-annually, and on emergency on the call of the President, the Treasurer and the General

Secretary. Five of its members shall be a quorum.

6. District Secretaries shall be appointed by the General Board,

ACT OF INCORPORATION.

6 EDWARD VII.

Снар. 74.

An Act to incorporate the Canadian Bible Society Auxiliary to the British and Foreign Bible Society.

[Assented to 26th June, 1906.]

- 1. The voluntary society mentioned in the preamble is incorporated under the name of "The Canadian Bible Society Auxiliary to the British and Foreign Bible Society," hereinafter called "the Society."
- 2. The affairs of the Society shall be managed and controlled by a general board composed of members elected from time to time by the Auxiliaries composing it in accordance with the constitution of the Society. The honorary general treasurer shall also be ex officio a member of the board.
- 3. The said board shall appoint such officers as it deems necessary, and in accordance with the constitution of the Society.
- 4. The sole object of the Society shall be to promote the wider circulation throughout Canada and Newfoundland of the Bible without note or comment, and to assist the British and Foreign Bible Society in its work.

- 6. The said general board may by resolution admit as constituents of the Society such other Auxiliaries of the British and Foreign Bible Society, hereafter formed in Canada or Newfoundland, as desire to join the Society and as the said board thinks fit to accept.

SECOND ANNUAL REPORT

OF

THE CANADIAN BIBLE SOCIETY

AUXILIARY TO

THE BRITISH AND FOREIGN BIBLE SOCIETY

FOR THE YEAR 1906.

During another year of grace and service it has been the immediate task of the Canadian Bible Society to lay broad foundations for the organized agencies which are to cover the whole Dominion. At the same time it has sought to unify, stimulate and guide the corporate energies of all who have entered into alliance for the diffusion of the Holy Scriptures.

The advantages of the organic union of all Bible Society Auxiliaries in Canada and Newfoundland have been confirmed by two years' experience, and the process of consolidation has been steadily advanced. The General Board recognize with thankfulness of heart that the spirit of harmony and hope prevails and rules among the federated forces. by which the entire country is to be covered by the Society's operations are being loyally accepted by the Auxiliaries involved in the process of readjustment. Some agencies which seemed to be neither economical nor effective have been displaced in favour of better means and methods. In these initial years of the Dominion organization it is sufficient token for good that the time of transition is safely passed and that its agencies are being equipped and reinvigorated for the tasks and opportunities awaiting it among the ployglot races settling in Canada.

Under the favour of God the extension of the work and the revival of liberal interest on its behalf are well assured. The fact that the total free contributions remitted by Auxiliaries exceed those of last year by \$16,578.23 gives ample ground for encouragement and gratitude. The comparison is disturbed to some extent by the circumstance that considerable sums which have accrued in certain localities during 1905 were not remitted in time to be included in the accounts for that year and have swelled the contributions for 1906. But, even when allowance has been made accordingly, a large proportion of the increase remains due to the credit of the year

now under review.

The General Board is profoundly gratified that the Society is thus placed in a position to devote a larger amount to the extension of Bible work in its own Canadian field, which is always the first charge on its income. It is equally gratified that, after reserving some thousands of dollars more for extended operations throughout the Dominion, it is able to remit to the British and Foreign Bible Society for its world-wide work a total free contribution of \$30,000, being some \$12,000 in excess of the entire contributions sent from Canada during the previous year. For this marked increase of liberality and energy the contributing Auxiliaries and all their officers and supporters are most warmly thanked and congratulated. The constant resources at the call of the Society will be still further augmented when those sections of the Christian community and Branches which have not as yet been fully aroused to the vital interests of the cause, learn and realize how indispensable is the work of the Society in spreading among men of all nations and tongues the knowledge of saving truth as well as in contributing towards Christian empire-building both at home and abroad.

The General Board takes the opportunity to declare on the part of the Canadian Bible Society its lasting indebtedness and devoted allegiance to the Parent Society of which it is

the loyal Auxiliary.

The Society has been bereft, through the decease of His Grace Archbishop Bond, of one of the noblest and most devoted friends it ever had, who for sixty years kept its work near his heart and for a period gave it wise leadership and inspiration

as President of the Montreal Auxiliary.

The General Board has pleasure in reporting that the Bill for the incorporation of the Canadian Bible Society passed the Houses of Parliament and received the Governor-General's assent. A copy of the Act is attached to this report. Special thanks are due to Mr. W. F. Cockshutt, M.P., and Hon. Sir Macken ie Bowell for taking charge of the Bill and to Mr. J. G. Scott, K.C., for drafting the Bill and giving valuable assistance in its course through both Houses.

The Canadian Bible Society comprises 16 Auxiliaries, under whose care there are 1,385 Branches—an increase of 85 during the past year. The General Board of the Society consists of 42 members, appointed by Auxiliaries and representing them in proportion to the numbers of their Branches.

Redistribution of territory in the eastern part of Ontario, intended to bring Branches under the care of the several Auxiliaries to whose headquarters they are most accessible, has been successfully arranged and put into effective operation. From the Montreal Auxiliary 53 Branches, in the counties of Dundas, Grenville, Leeds and Lanark, were transferred to

the Ottawa Auxiliary. A similar transfer of a few branches between the Upper Canada and Ottawa Auxiliaries, owing to a new delimitation of boundaries, was effected. The sacrifice by the Montreal Auxiliary of income derived from the 53 Branches surrendered—\$1,701 from free contributions and \$324 from sales in 1905—deserves special acknowledgment.

The provinces of Alberta and British Columbia—which constitute District V. in the territorial division of the country—were visited during the past year by the Rev. F. W. Goodeve, M.A., of Neepawa, Man., on behalf of the Upper Canada Bible Society, which retains the supervision of that field pending the creation there of a separate Auxiliary. The appointment of a District Secretary who shall devote part of the year to the organizing of the work in District V. is in view, along with the establishment of an Auxiliary for British Columbia; and it is proposed that he shall be one of two District Secretaries appointed to carry on the work of Districts III. (Upper Canada and Western Ontario Auxiliaries) and V. (Alberta, and

British Columbia.)

The Rev. G. M. Campbell, District Secretary for District I. (Maritime Provinces and Newfoundland), who is now to give his whole time to this work has conducted an extensive visitation of his field, has resusticated and established a number of Branches, and has been encouraged by manifest signs of expanding interest and progress. In Nova Scotia he has had the cordial co-operation of the Rev. Lewis W. Parker, Travelling Agent of the Nova Scotia Auxiliary, and the work has been reorganized and made more productive under thier care. Mr. Campbell also addressed the Synod of the Church of England in New Brunswick, the Maritime Synod of the Presbyterian Church, the Nova Scotia Conference of the Methodist Church, the Baptist Convention of the Maritime Provinces, etc., resolutions warmly endorsing the Society's work being passed.

As arranged by the General Board, the Rev. Thomas Bennett, Field Secretary of the Montreal Auxiliary, visited the Branches of the Quebec Auxiliary. Reports and returns shew that faithful and fruitful work has been done by the Field Secretaries of other Auxiliaries:—Mr. D. McElroy, for Ottawa, with its extended field; Rev. E. Salter, for the Winnipeg Auxiliary, which has to face heavy tasks in organizing branches and colportage in Manitoba and Saskatchewan; and Rev. W. E. Hassard, B.D., who since his appointment by the Upper Canada Society in May has visited the towns and camps in New Ontario and travelled 5,000 miles over his field with its 569 Branches. Their record for the year is more fully given on later pages in the Summary of Auxiliaries' Reports.

The General Secretary spent two months in visiting the

Maritime Provinces and Newfoundland, addressing meetings in the larger centres as well as denominational Conferences, and conferring with the Committees of all the eight Auxiliaries. At the close of the tour, as arranged by the District Secretary, an informal conference of 14 representatives of these Auxiliaries was held on August 7th, at Amherst, N.S. Friendly consultation was taken concerning the division of the field, methods of circulating the Scriptures, and other practical matters of importance. Helpful ideas and recommendations were presented, and the fresh impulse towards cordial and concerted effort must tell in results. The Bible Society has many ardent friends in the Maritime Provinces and Newfoundland, and its agents are opening a new epoch of hopeful enterprise.

The Methodist Quadrennial Conference held at Montreal heard addresses from the Rev. Dr. Shaw and the Rev. Dr. Edgar Hill, and from the General Secretary, who also addressed the Presbyterian General Assembly in London. Resolutions of cordial support were passed by these bodies, as also by the Baptist Convention of Ontario and Quebec through the agency

of the Rev. Jesse Gibson.

Sabbath School Associations and young people's conventions as well as Summer Schools—in Ontario, the Eastern Provinces, etc.—have heard addresses from the Society's Secretaries and other agents. Means should be devised whereby Sunday Schools will be periodically visited and interested in the mission of the Bible to the world, so that they may grow up to be true friends of the Society's work. A Bible day for Sabbath Schools is observed in some places and has been proposed for general adoption.

IMMIGRANTS AND BIBLE DISTRIBUTION.

The arrival of 215,912 immigrants during the calendar year 1906, speaking many languages and coming from all parts of the globe, lends commanding importance to the Society's agencies for circulating the Scriptures among the heterogeneous community. Of that number, 152,130 entered by the ocean ports, and 63,782 crossed the line from the United States. From the Continent of Europe came 47,166, and from Great Britain 97,757—making a total of 144,923 from all Europe.

The significant fact in these statistics, supplied by the Department of the Interior, is that the less enlightened races of Europe, in its eastern and southern countries, contributed three and a half times more immigrants than the more progressive nations. Of the latter—German, French, Belgian, Swedish, Norwegian, Danish, etc., there were 10,627, whereas 36,539 came from the less educated nations—from the Russian

Empire (13,073, including 8,415 Russian Jews), from Italy (9,217), and from the Austrian Empire (10,754), including Galicians (5,868), Buckowinians (1,424), Magyars (446), Bohemians, Croatians, Slovenians, Slovaks, and Austrian Poles. Of Asiatics, 2,930 came from Japan, 2,317 from India, 68 from China, while the Armenians, Arabians, Syrians, Persians, and Turks amounted to 787—in all 6,102 from Asia. Others hailed from Brazil, Africa, and the ends of the earth.

The Bible in whole or in part is in the native tongue of all these polyglot immigrants and of all who arrived in previous years. It is used or called for in sixty versions in Canada. In a number of cases it can be had with the English and the foreign versions side by side; and it can thus be the means of assisting foreigners to acquire the language which they and their children must learn and at the same time the means of teaching them the words of everlasting life. Large numbers of the forty thousand who have come from the backward regions of Continental Europe and from Asia are without a copy of the Bible; many of them never had a copy in their hands. In view of all such facts the dissemination of the Scriptures in all the tongues spoken receives a new inspiration. Here is the manifest and urgent mission of the Canadian Bible Society.

The Quebec Auxiliary through its agents put some thousands of portions (chiefly gospels) into the hands of immigrants as they set foot on Canadian soil, in the hope that on the long railway journey they would read these sacred booklets in the language of the homeland they had left. Preparations are made for doing the same on a much larger scale during the

coming season.

At the winter ports, St. John and Halifax, the New Brunswick and Nova Scotia Auxiliaries have in like fashion been distributing some thousands of Scripture portions in divers tongues among the newcomers. At both the Bible Stand is opposite the door through which they pass to the windows where they get their tickets and exchange their money. A table with writing material is provided for those who wish to send at once a message to friends in their motherlands; also friendly information is furnished them. These Auxiliaries have been assured of financial support from the General Board in 'holding forth the word of life' to the immigrants before they scatter far and wide over the Dominion beyond easy reach.

At Winnipeg a Bible Stand has been placed, with the approval of the authorities, in the main hall of the C.P.R. station, and at this converging point of mixed multitudes the seed has been sown among many who suffer from a 'famine of the word.' The Winnipeg Auxiliary has also some colporteurs on the prairies among the settlers in shacks and towns.

In Alberta and British Columbia two English colporteurs and one Chinaman are maintained by the Upper Canada Bible

Society.

Missionaries of the various Churches, as also Galician preachers, and private distributors among Doukhobors and other settlers, have been channels for the spread of the truth, and have received the Scriptures they need from the Bible Society either as grants or on greatly reduced terms.

But this great work, necessarily costly in proportion to the number of possible sales, needs to be undertaken on a much larger scale, and the General Board hope that more colporteurs

may be put in the field.

The regular colportage work was carried on: in Nova Scotia and New Brunswick during the summer by two French students; in Newfoundland among the 'outports' by five colporteurs (7,816 copies disposed of); in New Ontario by young men, working among the camps and on the boats passing through the "Soo" canal, under appointment from the Upper Canada Society which circulated 5,328 copies by colportage; in the Ottawa field (1,187 copies); in Montreal city and district (2,598 copies) where the Ladies' Bible Association have seven Bible Women at work, one of them an Italian lately brought from Italy for work among Italians; and within the territory of the Quebec Auxiliary where six colporteurs and one Bible Woman report a stir of interest and mental awakening among French Canadians never known before.

Through thirty colporteurs and nine Bible Women, eight of the Auxiliaries have circulated about 26,000 copies of

Scripture.

The total circulation of Scriptures in Canada and Newfoundland, when the special distribution among immigrants at ocean ports and the sales by depositories are added to the distribution by colportage, amounts to considerably over 85,000 copies. These figures include grants of Bibles at low rates to regular missionary agencies.

The depositories in Prince Edward Island and at London, Ont., as well as in numbers of the older Branches, have been closed, in accordance with the policy of the Society to maintain depositories only where the wants of the people are not

met through the ordinary channels of the trade.

The Canadian Catalogue of Bibles, delayed by unexpected

difficulties, is now in the press.

The Canadian edition of the Monthly magazine, The Bible in the World, part of which reports the world-wide work and is supplied under favourable arrangements by the Parent Society, has been extensively circulated among subscribers and officers of Branches throughout the country and has been appreciated. The General Board would commend it to all supporters and would urge officers of Branches to secure subscribers for it as

an attractive and well-illustrated magazine of information and

a means of spreading interest in the Society.

It is to be regretted that in some cases no record has been kept by Auxiliaries of circulation (numbers in languages used) through depositories and colporteurs and receipts from sales, and that accordingly statistical summaries must still be incomplete for the whole Dominion, The General Board requests that such statistics may now be carefully kept and promptly forwarded to the General Secretary in advance of the Annual meetings of the Society.

Free contributions to the Canadian Bible Society (1) are in part devoted to the maintenance and extension of its work in British North America, and (2), so far as not required for that purpose, are remitted to the Parent Society for its world-

wide work.

The Treasurer's statement shews that, through the exceptionally large amounts sent in by the Auxiliaries, the General Board, after reserving a balance of \$10,013.63, to carry forward the work in Canada on a larger scale, has been able to send to the British and Foreign Bible Society a total free contribution of \$30,000.00, which includes \$7,467.17 expressly designated to the Parent Society by Auxiliaries and Branches. This sum largely exceeds the aggregate of free contributions from Canada in any previous normal year.

The General Board has remitted towards colportage work carried on by the Quebec Auxiliary the sum of \$3,000, being \$2,558.01 in addition to the \$441.99 designated to that object

by the Upper Canada Society.

The sum of \$7,303.91 on Purchase Account from five Auxiliaries has been remitted to the Parent Society, which desires that all payments for stock as well as all contributions be made through the offices of the Canadian Bible Society.

The calendar year has now become the financial year of all the Auxiliaries, having been adopted during 1906 by the Ottawa and the Western Ontario Auxiliaries, whose reports and remittances accordingly in this instance cover only a period of nine months.

* * *

THE General Board would express humble thanks to the God and Father of our Lord Jesus Christ for the gift of the Holy Scripture which it is privileged to disseminate, and for the multiplying opportunities and increased means of spreading the knowledge of the truth among races of many tongues in Canada and foreign fields, and would pray that through the accompanying grace of the Holy Spirit it may make many wise unto salvation. It is a sacred trust as well as a priceless gift, and those who cherish it in their hearts dare not and will not withhold it from the multitudes who dwell in darkness for lack of

its divine light. These in tens of thousands are passing in ceaseless possession into this broad land of promise. To-day they are within reach as never before. Now is the appointed time and the day of unparalleled opportunity and of destiny for the people and the nation. While they are re-making their lives and open to new influences, every patriot who covets true greatness for the country and every Christian who cares for the souls of men will help to put into all hands and homes the Book which builds up righteous nations and leads the feet of the stranger and the sinner into the way of eternal life.

ANNUAL MEETING OF THE CANADIAN BIBLE SOCIETY.

The Second Annual Meeting of the General Board of the Canadian Bible Society, Auxiliary to the British and Foreign Bible Society was held in Ottawa on March 13, 1907, commencing its sittings at 9.30 a.m. Present:-Dr. N. W. Hoyles, President, in the chair; Rev. Jesse Gibson, Recording Secretary; Mr. Elias Rogers, Treasurer; Rev. Dr. Chambers, Rev. Dr. Gilray, Messrs. John Aitken and C. R. Cooper, from the Upper Canada Society; Very Rev. Dean Davis, from Western Ontario Auxiliary; Rev. Dr. Shaw, Rev. Dr. J. Edgar Hill, Dr. A. Johnson, and Mr. John Murphy, from Montreal Auxiliary; Rev. Dr. Armstrong, Rev. Dr. Cameron, and Rev. J. T. Pitcher, from the Ottawa Auxiliary; Mr. G. E. Armstrong, from Perth Auxiliary; Rev. F. C. C. Heathcote, from Manitoba and Saskatchewan (Winnipeg) Auxiliary; Rev. Wylie C. Clark, B.D., from Quebec Auxiliary; Mr. Joshua Clawson, from the New Brunswick (St. John) Auxiliary; Mr. L. W. Johnston, from the Fredericton Auxiliary; Rev. Archdeacon Armitage, from the Nova Scotia Auxiliary; Senator McGregor, from the New Glasgow Auxiliary; Mr. Campbell MacPherson, from the Newfoundland Auxiliary. Apologies for absence were reported from most of the other members of the Board (see complete roll on page 2).

The Annual Report of the Canadian Bible Society was submitted by the General Secretary, and, after consideration of its items, passed as printed above. The Treasurer's statement was presented and adopted.

It was resolved that the balance of \$35,104.67 be disposed of as stated above (foot-note to Treasurer's statement, p. 13). Most of that balance had accrued only a short time before the close of the year.

Rev. W. E. Hassard, B.D., Toronto, Field Secretary of the Upper Canada Bible Society, and Rev. R. J. Bowen, Ladysmith, B.C., were appointed District Secretaries for Districts III. (Upper Canada and Western Ontario Auxiliaries) and V. (Alberta and British Columbia)—the former primarily in charge of the field of the Upper Canada Society, the latter of the Western Ontario Auxiliary and British Columbia and Alberta, but under the general direction of the Executive Committee.

The Rev. Thomas Bennett, organizing Secretary of the Montreal Auxiliary, was appointed District Secretary for District II. (Montreal, Quebec and Ottawa Auxiliaries), with the Montreal and Quebec Aux-

iliaries as his special field of work.

A new Auxiliary—the British Columbia Auxiliary—was created,

to comprise the Branches within that province.

The total circulation of Scriptures throughout British North America by colportage and depositories was reported and considered, and the statistical table ordered to be printed in this report. As the statistical returns on which this table was based were in some cases very incomplete, the General Board enjoined all Auxiliaries to keep full and accurate records of details as to circulation.

Among many other important matters dealt with were the work among immigrants at ocean ports, the Canadian Catalogue, *The Bible in the World* and other literature, methods of interesting Sunday Schools, and a Model Constitution for Branches (p. 23).

Public Meeting.

The Second Annual Public Meeting of the Canadian Bible Society was held in the Dominion Methodist Church, Ottawa, on March 13th, at 8.00 p.m., when the attendance was good and the meeting successful and

inspiriting.

His Excellency the Governor General of Canada, the Earl Grey, the Patron of the Society, was present on the platform with the President, Dr. Hoyles. The Rev. Dr. Shaw and Rev. G. F. Salton conducted the devotional exercises, and the speakers were the Rev. Archdeacon Armitage, Halifax, Rev. A. A. Cameron, D.D., Ottawa, and the General Secretary. His Excellency the Governor General graciously added his own approval of the Society's work in a few words, saving that he had come as the Patron of the Society to show his sympathy with its objects. He had come on the condition that he should not be asked to speak and he would only express his interest in the work and his hope that the Society would achieve still greater success. He had been greatly interested in the speeches, and especially impressed by the large figures mentioned. When he heard of the 6,000,000 copies circulated every year and of the 200,000,000 issued since the Society was founded, he thought the output would probably be the largest output of all the publishing houses in the world. And when he heard that these had been issued not in one but in 400 languages, he thought of the complicated and difficult task which reflected the greatest credit on the gentlemen who had given their brains to it. It was a privilege to belong to a Society which knew no denominational divisions and no sectarianism. All the forces of the time tended towards union, and he was glad to stand on a platform broad enough to include Anglicans, Methodists, Presbyterians, Congregationalists, Baptists, and Quakers. His Excellency concluded by again wishing success to the Society.

SUMMARY OF AUXILIARIES' REPORTS.

DISTRICT I.

Comprising the Auxiliaries of Nova Scotia (Halifax), Pictou, New Glasgow, New Brunswick (St. John), Fredericton, Miramichi, Prince Edward Island, and Newfoundland, with an aggregate of 239 Branches. DISTRICT SECRETARY: REV. G. M. CAMPBELL, St. John, N.B.

NOVA SCOTIA.

Hon. President, His Honour Lieut.-Governor Fraser.

President, Rev. J. MacMillan, D.D.

Secretary, Rev. Canon Almon, M.A.

Travelling Secretary and Treasurer, Rev. Lewis W. Parker, Truro. Centre at Halifax, with 131 Branches.

The past year has witnessed a marked increase of vigorous activity in this field, with good results and the promise of still better. Rev. L. W. Parker, Travelling Secretary, who has visited the Branches and organized the work with indefatigable energy, has co-operated with the District Secretary, Rev. G. M. Campbell, who has made special visits to Halifax and other centres, and has canvassed business men on behalf of the Society. Canon Almon also visited sections of the field. Mr. S. H. Black, for forty-five years the Treasurer of the Auxiliary, has removed from the district and resigned office, to the great regret of the Committee. The General Secretary made a tour of the province during the summer and

addressed meetings in the principal towns.

Among the immigrants arriving at the winter port of Halifax some thousands of Scriptures have been distributed, as described in the preceding report of the Canadian Bible Society. The Bible Stand and the Society's Bible Woman, Mrs. Egan, have brought the Holy Book within reach of the newcomers.

Two young French colporteurs travelled widely over the province and met with mixed receptions from their own race in trying to put the Bible in their hands. The Bible Woman's work in Halifax was well maintained. There are sixteen depositories under this Auxiliary. The record of circulation is imperfect. Free contributions to the Auxiliary, \$4,711; bequests, \$1,269; total income, \$6,051. Remittance to Canadian Bible Society and British and Foreign Bible Society, \$2,000.

PICTOU, N.S.

With Five Branches.

President Rev. A. Falconer, D.D. Secretary, Rev. G. S. Carson, M.A. Treasurer, Mr. E. L. Armstrong.

NEW GLASGOW, N.S.

With two Branches.

President, Senator McGregor. Secretary, Mr. Harvey Graham. Treasurer, Mr. J. C. McGregor.

Pictou and New Glasgow Auxiliaries carry forward the traditions of devoted interest in the Bible Society. The county of Pictou was the first community out of England that contributed to the funds of the British and Foreign Bible Society. In 1807, only three years after its foundation, Rev. Dr. McGregor remitted £64 which he had collected, and his descendants and the heirs of his influence are among the chief supporters of the Society to-day. Remittance to the Canadian Bible Society and British and Foreign Bible Society, from Pictou \$282.84, from New Glasgow \$174.50 (part).

NEW BRUNSWICK.

President, His Honour Judge Forbes. Secretary, Mr. Geo. A. Henderson. Treasurer, Mr. Thos. H. Sommerville. Centre at St. John, with 78 Branches.

New life has been put into the work of this important Auxiliary by the influential Committee and the District Secretary, Rev. G. M. Campbell, who has had assistance from His Honour Judge Forbes in visiting Branches. Some of these have been resuscitated and all have been aroused to keener interest.

At the port of St. John, the Government, through the Department of the Interior, has granted a good position in the Immigration Building for the Auxiliary's Agents circulating Scriptures in seven languages among the immigrants of diverse nationalities. Through the inspection shed they pass into the main building where they get their tickets and exchange their money. The Bible Stand confronts them, with a large card calling their attention to the sale of Bibles in various tongues. Many of these, chiefly Gospels and Psalms, are given freely, bearing a stamp showing that they are the gift of the Bible Society. The Bible Woman, Miss Wesley, has done duty at this sea-gate to Canada, and the work has been under the direction of the Rev. Mr. Heine and of a strong Committee with Alderman Bullock as Chairman. Two French students from Pointe-aux-Trembles School spent part of the summer in this field.

The record of circulation—exceeding 2,000 copies—is imperfect. Total contributions received by the Auxiliary, \$4,594; remittance to

the Canadian Bible Society, \$2,000.

FREDERICTON, N.B.

With one Branch.

President, J. R. Inch, LL.D. Secretary, Mr. Chas. A. Sampson.

Conferences with the Committee and public meetings were held by the District Secretary, Rev. G. M. Campbell, and the General Secretary, with happy results. The former has organized new Branches, and a Bible Sunday is instituted. Under the new plan of collecting a city ward has been assigned to each of the city churches. The annual report showed total receipts of \$1,091. Remittance to the Canadian Bible Society, \$550.

MIRAMICHI, N.B.

President, Mrs. Snowball. Secretary, Mrs. Aitken.

Centres at Newcastle and Chatham, with 1 Branch.

Faithful work has been done by this old Auxiliary, hitherto entirely managed by a Committee of ladies, who have agreed that the basis of the Auxiliary shall be broadened and the Committee shall include both ladies and gentlemen. The District and General Secretaries paid visits to the two centres on the Miramichi river. One Branch, Loggieville, has been organized and the first steps taken at Derby. Remittance to the Canadian Bible Society, \$281.

PRINCE EDWARD ISLAND.

President, Mr. A. W. Sterns. Secretary, Mr. J. D. Seaman. Treasurer, Mr. H. J. Cundall.

Centre in Charlottetown, with 13 Branches.

As the wants of the community could be met through the ordinary channels of trade, the depository in the capital was closed during the year, and the remaining stock was put at the disposal of the Canadian Bible Society, which despatched it to Winnipeg. The District and General Secretaries' visits to this garden-island were fruitful in interest. A Bible Sunday was appointed—the second Sunday in November. The needs of the French settlements on the Island are being investigated. Remittance to the Canadian Bible Society, \$470.

NEWFOUNDLAND.

Patron, His Excellency the Governor, Sir William MacGregor. President, the Hon. J. J. Rogerson.

Secretaries, Rev. J. Thackeray and Mr. J. Leamon.

Centre at St. John's, with 8 Branches.

His Excellency, the Governor, Sir William MacGregor, K.C.M.G., has

continued to give public support to the Society, addressing the special meeting held in connection with the visit of the General Secretary in summer. Very successful work is done along the bays and "outports" among the fishermen and others by the eight colporteurs, who circulated 7,361 copies during the year. The whole field is forthwith to be visited systematically by the District Secretary, Rev. G. M. Campbell.

Circulation, by depository, 1,773 copies; by colporteurs, 7,861—total, 9,634. Receipts, from contributions, \$855; from sales, \$1,587;

total, \$2,542.

DISTRICT II.

Comprising the Montreal, Quebec, Ottawa, and Perth Auxiliaries, with 374 Branches.

DISTRICT SECRETARY: REV. THOMAS BENNETT, Montreal West, Que.

MONTREAL.

President, Rev. Principal W. I. Shaw, D.D., LL.D.

Vice-Presidents, Dr. Alex. Johnson, Rev. Dr. Edgar Hill, Right Rev. Bishop Carmichael.

Secretaries, Rev. Prof. H. M. Tory, D.Sc., (Corresponding), Rev. F. M. Dewey (Recording).

Treasurer, Mr. John Murphy.

Depositary, Mr. J. H. Carson, Bible House, St. Catherine Street, with 181 Branches.

With praiseworthy loyalty this Auxiliary agreed to surrender fifty-three of its best Branches to the Ottawa Auxiliary to which they are more conveniently accessible, as stated in the preceding annual report of the Canadian Bible Society. The loss in income resulting from this redistribution of territory is heavy, yet the revenue for the year including bequests was \$23,193, an increase of \$3,621 over that of the previous year. The disbursements, including the salary of an additional colporteur working among Italians, were \$14,678, an increase of \$330. Total remittance to the Canadian Bible Society, \$5,000.

The late beloved Archbishop Bond, for years the influential President of the Auxiliary, will long be remembered for the service he rendered to every Christian cause and not least to the spread of the Holy Scriptures.

The Rev. Thos. Bennett, who has for many years been the organizing Secretary of the Auxiliary, has been appointed District Secretary for District II., but he will continue to do the field work of the Montreal Auxiliary as hitherto. Mr. J. H. Carson is invaluable as depository and Agent at the Bible House. There are 181 depositories.

Colportage.

The work of colportage has been continued by the same staff as last year, two in French, one in English, with the addition of an Italian who has given his whole time to the work. These have visited 15,815 families and sold and distributed 1,541 copies of Scripture. The work done along similar lines by Bible Women is mentioned below.

Issues.

The Scriptures issued during the year were: 6,629 Bibles; 9,193 Testaments, 9,222 Portions, total, 25,044; at total value of \$5,981.57. In the French language 3,808 were distributed. Gratuitous distribution, 3,519 copies.

Montreal Ladies' Bible Association.

Seven Bible Women are at work under the direction of the Ladies' Association, which has for so many years done such excellent work in the city, with Lady Dawson as its honoured President. Signorina Tognotti was brought from Italy specially for the purpose of reaching the many Italians of Montreal. She knows how to approach the people of her own race and tongue, in the hospitals where she often interprets, and while visiting the sick in their homes; and in the large boarding houses where men congregate she has read and prayed and has proved a blessing to many who have bought parts of the Bible in order to learn the truth for themselves.

QUEBEC.

President, Mr. Robert Stanley. Secretary, Rev. E. J. Stobo. Treasurer, Mr. A. W. Colley. With 24 Branches.

Among the thousands of immigrants disembarking at Quebec the Auxiliary's Bible Woman (Madam Caron) distributed about 2,600 Scriptures in a variety of languages. As they land on a foreign shore they are touched by the kind greeting and offer of the Holy Book in the native tongue of their motherlands. This most important work, which the Rev. G. H. Williams spares time from his ministerial work to superintend, is to be conducted on a much more extensive scale during the coming immigration season.

The regular colportage within the province has shown encouraging developments. There is manifest an unprecedented unrest among many French Canadians, and the six colporteurs of the Auxiliary, while still encountering much indifference and quiet antagonism, report that it is now very common in the villages to receive requests for Bibles. At the annual meeting the General Secretary held a conference with the colporteurs, the Bible Woman, and the Committee, when all agreed that there was a new stir and outlook in Quebec.

Rev. Thos. Bennett, now District Secretary, will continue to visit the Branches of this Auxiliary. Rev. E. J. Stobo renders valuable aid as honorary Secretary, where he was so long field agent.

The Upper Canada Bible Society has annually granted \$3,000 towards colportage in the Quebec Auxiliary and again lent its aid to this work.

The Capital Auxiliary has entered cordially into the activities of the federation of all Auxiliaries in Canada and taken a valuable share in the counsels of its General Board. It reports sixty more Branches than last year, chiefly owing to the transfer of fifty-three from the Montreal Auxiliary in the course of redistribution of territory. The total revenue for the year has been \$6,657, and it will increase with the increased num-

ber of Branches. The remittance to the Canadian Bible Society is also larger than before.

Mr. D. McElroy continues to visit the Branches and do the work of the Auxiliary, although Rev. Thos. Bennett is now District Secretary.

The sales of Scriptures largely exceeded those of the previous year. Over 600 were given away, 297 of these to hospitals, hotels, etc. Total circulation, 5,636 copies—1,187 by colportage, 3,606 by depositories.

The Vice-Presidents include the Lieut.-Governor of Ontario, the Archbishop of Toronto, and the General Superintendent of the Methodist Church.

Hon. Secretaries, Rev. Bernard Bryan, Mayor Coatsworth, Mr. W. J.
Robertson.

Permanent Secretary, Mr. John Harvie.

Associate Permanent Secretary, Rev. Jesse Gibson.

Business Manager, Mr. George Sauer. Centre in Toronto, with 569 Branches.

This premier Auxiliary manifests more vigorous life than ever. The city of Toronto has produced twice as much as in former years, and, with more complete organization and a general canvas, may be expected to do itself still further justice. Twenty-two Branches, either new, resusci-

tated, or transferred, were added.

Rev. W. E. Hassard, B.D., as Field Secretary of the Auxiliary, quickened the interest of many Branches in the course of his energetic campaign. He made a trip through New Ontario, visting twenty-one places in six weeks, and helping the cause forward in such new mining camps as Cobalt, in Port Arthur, and in Fort William, where he found a mission school which one night had fifty foreigners speaking twelve different languages. In nine months' work he travelled over 5,000 miles, preached in fifty-six pulpits, addressed twenty-five Sunday Schools, and lectured in sixty-four Branches, often attracting large audiences with his lantern, which helped to interest young people in the Society. Mr. Hassard now becomes a District Secretary under the Canadian Bible Society, but will continue work in the same field as hitherto.

The Branches in Alberta and British Columbia were visited during

the year by Rev. F. W. Goodeve, M.A., Neepawa, Man.

The total revenue for the year was \$35,256 from contributions, with \$5,934 from sales by depositories and \$1,594 by colporteurs. The total remittance to the Canadian Bible Society was \$22,673 (nearly \$9,000 more than the previous year), including \$2,231 designated to the British and Foreign Bible Society. A grant of \$3,000 has been made annually to the Quebec Auxiliary.

The total issues of Scriptures, in thirty-one languages, was 35,821,

of which 5,328 were circulated by colporteurs.

Five colporteurs were engaged during the summer months, chiefly in Algoma and New Ontario, among camps and settlers of various nationalities. Colportage was carried on also in Toronto among mixed races. Hospitals, prisons, steamboats on the lake, fire halls and car barns were supplied with Scriptures.

Signal marks of energetic life have been shown by this Auxiliary, and the process of reconstruction is leading to a more general interest in its work in the community. Its revenue reached the high total of \$2,984, and, with the aid of special credits and balances, it remitted \$3,507 to the Canadian Bible Society and British and Foreign Bible Society.

The depositories in London and most of the Branches were closed, the normal wants of the people being met through the ordinary channels of the trade, and grants of the stock were made to missions and schools.

The Rev. R. J. Bowen, who has been appointed District Secretary, will devote part of the year to the work of this Auxiliary and will have his residence in London. The prospects of success here are cheering.

At Winnipeg the Bible Stand in the great central hall of the Canadian Pacific Railway station is under the care of a colporteur and circulates Scriptures among the promiscuous travellers in various tongues. Three colporteurs are at work, reaching out to the new towns and shacks on the prairies. Supplies of Bibles have also been issued to various missionary agencies of different denominations. In addition to the circulation of English Bibles, there were during the year some 3,900 copies of Scripture distributed—1,314 in Ruthenian (for the numerous Galicians), 1,097 in Russian, and varying numbers in Slavonic, Polish, Hungarian, Rumanian, Lithuanian, Croation, Bohemian, Norwegian, Swedish, Finnish, Icelandic, Yiddish, and a score of other tongues.

DISTRICT V.

Comprising the provinces of Alberta and British Columbia. DISTRICT SECRETARY: REV. R. J. BOWEN, Ladysmith, B.C.

The Branches in the above two provinces have hitherto been under the care of the Upper Canada Bible Society. Those in British Columbia are being organized into a new Auxiliary.

SUMMARY

of the hundred and third REPORT.

Presented at the Anniversary in Exeter Hall, May 1, 1907.

ACH fresh anniversary, of an institution or an individual, utters the same warning that we number our days and apply our hearts unto wisdom. When we try to number the days of the Bible Society, we may picture it as a sober-suited pilgrim that paces with tranquil steps through this hustling, motley-coloured, modern world. Yet in such garb and mien we

recognize the tokens of a better country, we salute the livery of the Great King. And we praise God to-day that this pilgrim shows no trace of languor or decrepitude; this institution recruits its strength and gathers new health and energy, amid so many things which wax old and are ready to vanish away.

Our Friends Above.

While God carries on His work, He buries His workmen year by year. Since our last annual meeting the Society has lost seven of its Vice-Presidents:—the venerable Archbishop Bond, of Montreal; Viscount Hampden; Bishop Bickersteth; Mr. J. E. Vanner; Mr. Edward Rawlings, Treasurer of the R.T.S.; Viscount Midleton, who spoke at our Exeter Hall Anniversary three years ago; and Dr. John G. Paton, the apostle of the New Hebrides Mission, for which our Society has published the Gospel in twenty-four different forms of speech.

Translation and Revision.

Eight new languages may now be added to those in which the Society has published some portion of Scripture. St. Matthew's Gospel is issued in Nagpuriya, a village patois current in Chhota Nagpur, in the Province of Bengal. Another version for India is St. Mark in the Dimasa dialect, spoken in Central Assam. St. Mark is also being produced in a new form of syllabics for the Hwa Miao, an aboriginal tribe in Western China, who are embracing Christianity in remarkable numbers. Luzon, the largest of the Philippines, is the home of a mountain race of primitive Malayan type, the Bontoc-Igorot: their language has been reduced to writing, and St. Mark is now translated into this tongue. A version of St. Luke in Tunisian Colloquial Arabic is being revised for publication in Tunis, where, as elsewhere along the coast of North Africa, the Bible in classical Arabic can only be understood by an educated minority of the people. For South Africa, St. Mark is being printed in Ila, a language recently reduced to written form, current among tribes in Rhodesia two hundred miles north of the Victoria Falls on the Zambesi River. For the New Hebrides, St. John's Gospel has been printed in Tasariki, the speech of S.W. Santo; while in the language of Paama, a much smaller island, St. Mark has just been published. Besides these eight new versions, there is added to the Society's Historical Table a ninth, published by the American Bible Society, in distributing which our own Society now takes a share. We can thus report a total of 409 DIFFERENT LANGUAGES in which the British and Foreign Bible Society has promoted the translation, printing, or distribution of at least some part of God's Book.

During this last year an edition reached South Africa of the Gospels, Acts, and three Epistles in Karanga, spoken by large numbers of natives in Mashonaland. Some of these Va-Karanga are at work in Johannesburg, where one man came to our depôt every day for a whole month to inquire if the books had arrived. He was there to see the first case unpacked: opening a copy, he read

a few sentences, and exclaimed: "Yes, this is Karanga, this is my people's language." Then he hurried off to tell the news, and was soon back with a dozen companions, all eager to buy the new book. Now they are asking when they may have the whole New Testament in Karanga.

One more Bible completed last year—the Thonga version—raises the number of Bibles on our list to 103; five more complete New Testaments—in Union Nyanja, Shona, Lolo (Mongo), Galwa, and Sheetswa (A.B.S., 1903)—increase the number of Testaments to 98; while 208 other languages in which only some part of the Testament has been issued, bring up the total, as already stated, to 409.

Space fails us to describe how the task of translation or revision is being ceaselessly carried on in scores of different tongues. Last year saw finished the revision of the Bible in Hungarian, in Malayalam, and in Chuana; of the New Testament in Icelandic, in Sloven, in Kanarese, in Marathi, in High Wenli, and in Mandarin. Nor have the needs of English-speaking folk been The Society's new shilling English Authorised Bible, in large clear type, will appear this summer, and should become the most popular of all its cheap editions. The Welsh Brevier Reference Bible, in which the marginal matter of the English Revised Version will be added for the first time in Welsh, may be expected in the autumn. The Greek Patriarch at Constantinople has promised to supply a large edition of the amended Greek Testament in the traditional text, chiefly for circulation among members of the Orthodox Greek Church in Eastern Europe. The Society's new edition of the Hebrew Old Testament, enriched by Massoretic variants gathered from fifty MSS, and early printed editions, is making good progress through the indefatigable labour of Dr. Ginsburg, and its printing has already begun.

This paragraph closes with the regretful thought that we may look for no future Editorial Reports from our dear and veteran friend, the Rev. J. Sharp, who for more than a quarter of a century has rendered such inestimable services to the Bible Society.

Distribution.

Looking out across the wide spaces of the Mission-field, where three-fourths of the Society's books find readers, our eyes first travel eastwards towards the sunrise.

In China.

It is just a century since Robert Morrison, the pioneer Protestant missionary in China, landed at Canton. Seventeen years later, in 1824, Morrison was one of the speakers at this Society's Anniversary in Freemasons' Hall, when he presented to the Chairman, Lord Teignmouth, a copy of the Chinese Bible, translated by himself and Dr. Milne-towards producing which our Society contributed in all the sum of f.10,000. To-day, Morrison's missionary successors in China, who are counted by thousands, have sent their delegates to meet in Conference at Shanghai, where our Society is worthily represented by one of its Secretaries, and where questions of the highest moment are being discussed as to the revision and distribution of the Bible in China. No statesman, no philanthropist can watch without emotion the changes which are transforming the vast fabric of tradition and custom in that most ancient, most populous of empires. Concerning Christian progress, two facts may stand side by side. In China, since 1860, five hundred foreign missionaries have suffered martyrdom. China last year, for the third year in succession, our Society has sold more than a million copies of Scripture.

In India.

We rejoice to register the steady growth which has resulted in another record total of 693,000 books, distributed last year by our great Indian Auxiliaries; and we gratefully recognize how largely such success is due to the able and devoted men serving on their Committees. During the past twelvemonth all these six Auxiliaries have been reorganized and linked into closer union with the Parent Society.

Our three Auxiliaries in Ceylon have now amalgamated into a single organization for Bible work in that island.

In the Russian Empire.

Amid so much disturbance and distress in Russia, our circulation was 10,000 above the half-million books distributed in the previous year. And in Siberia the sales have reached a record figure; thousands of Testaments were bought at railway stations by soldiers on their way home from the Far East, many of whom were proud to exhibit the Russian Gospels which had been presented to them on their journey out to the seat of war or while prisoners in Japan.

In Japan itself, our sales by colportage last year more than doubled. From all the great divisions of South America—from Brazil and Argentina and the Republics of the Andes—our Agents

report a cheering growth in circulation.

During the first three months of this year, 25,000 copies of the Scriptures, in 29 languages, have been sent out to Canada, mainly for distribution among immigrants from Europe.

Colportage.

Up and down the world nearly 900 of the Society's wayfaring Bible-sellers are busy all the year round. Wherever men make their homes, the colporteur carries his wallet of cheap little Gospels and Testaments—to cottage and châlet and cabin and bungalow, to settlers' log-huts in the backwoods and the foc's'les of ships in harbour and the tents of nomads on the steppe. By this means he places the message of God's redeeming Love in the hands of scattered multitudes, living destitute of any means of grace and ungladdened by any hope of glory. Last year our colporteurs sold 2,200,000 copies of Scripture.

The Price of the Book.

"People seldom will read a book which is given them," said Dr. Samuel Johnson; "the way to spread a work is to sell it at a low price. No man will send and buy a thing which costs even sixpence without an intention to read it." The Bible Society acts on this policy of common-sense. As a rule, it sells the Scriptures. The bulk of its books are cheap editions, and their prices are fixed in each country not by what the

edition costs to produce, but by what the poorest class of labourers in that country can afford to pay. Thus, for example, a New Testament in any Indian language is sold for 4d., though it costs on an average 8d. to produce. In China a Bible which costs about 2s. is sold for 6d. Out of what the Society expends in preparing and distributing the Scriptures only about 40 per cent. comes back to it as returns from sales.

For Those in Need.

In cases of special need or calamity the Scriptures are freely given away. Last year thousands of Gospels were thus distributed among the sufferers after the earthquake at Valparaiso and after the eruption of Vesuvius. The earthquake at Kingston left nearly every Sunday School in that city destitute of the Scriptures; to replace the books thus destroyed the Committee are now providing Bibles and Testaments gratis for all local Sunday Schools needing such help.

Hindrances.

The Bible Society's work has hindrances and perils of its own. It is difficult to realize that no copy of the New Testament in modern Greek has been allowed to enter Greece for the last five years, and that in some of the central provinces of Austria it is still a penal offence to sell Bibles in the open streets. It is less surprising that the Shah's Government strictly prohibits the importation of any Persian copies of the Scriptures into Persia. In the last consignment of Bibles received at Bagdad all the maps had been torn out in which the name Armenia occurred; the dragoman of the British Consulate explained that the name of Armenia on a map is forbidden in Turkey.

During a night march in Annam, coolies carried flaring torches before and behind our Sub-agent "to keep off the tigers." But wild beasts are not the only danger the colporteur may encounter. In many countries the forces of superstition and irreligion are alike hostile to the Scriptures. Fanatical priests and scornful atheists both violently oppose the

reading of the New Testament. One Bible-seller is driven out of a Styrian village with pitchforks as a "Lutheran devil"; another, in Russian Poland, is beaten and all his books are torn to pieces; another is pelted in the island of Mitylene; another is assaulted in Portugal; another is arrested in Peru; another is beaten by Moslems in Egypt; another, in Persia, is robbed of everything he possesses.

The Power of the Book.

In Albania a colporteur was arrested and thrown into a Turkish prison for the night. But he had St. Matthew's Gospel in his pocket and began to read to the other prisoners, who were all Albanians. He had to read all night long, and his hearers grew so enthusiastic that they made him promise to send them Gospels into the prison after his own release.

We have only space to borrow from our reports a few more pictures of the power of the Book. Here is a Flemish brick-maker who bought a Bible, by reading which he found the Saviour; his wife told the colporteur who sold him the volume, "Our home was a hell; now it is a heaven."

Here is a Russian military train, bringing home troops from the war, waiting in Smolensk railway station. "I walked along the carriages," writes our colporteur, "offering my books to the men, when a soldier called to me and said that on that very spot, when he was on his way out to the Far East, he had bought from me a Polish Bible, and had read it continually, and had found in it the way of everlasting life. Then he turned to his comrades, saying, 'Here, brothers, is the man who sold me the Bible and counselled me to read it every day.' As a result of his words I sold ten more Polish Bibles there and then."

At a great Hindu mela in the Panjab one of our colporteurs met a man who had bought a Gospel at the mela the year before. This man came up to him and said: "The word of your teaching which I have heard is lost, of course; but the book that I bought is not lost, and I have gained much profit by its study." Then he bought a number of Gospels for himself and his neigh-

bours, saying: "I cannot forget the books, as they are always with me."

The Year's Issues.

The year's issues now to be reported amount to 5,416,569 volumes. This total is 560,000 fewer than the Society's record output in the previous year. It falls nearly eight per cent. below the average of the very large totals registered in our last four Reports. Though we cannot entirely explain, any more than we can entirely control, the ebb and flow of circulation, there are certain facts which go far to account for this serious decline.

The close of the war between Russia and Japan meant that quite 100,000 fewer books were given away to soldiers than in the previous year. Again, the severe economies to which our Committee have been driven have necessarily had results which are reflected in the sales. This has been especially the case in several European countries. Then, in reorganizing the Society's business arrangements, a new English price-list has been issued. The temporary disturbance of familiar trade relations which naturally ensued may account for part of the grave reduction of nearly 25 per cent. in the Society's home sales last year. This particular decrease, however, appears to be mainly the result of some extremely cheap English editions recently put on the market by other publishers; it does not mean that English people have left off buying the Bible.

The Centenary Fund.

With the deepest thankfulness we record the success of the Centenary Fund. The total sum aimed at, 250,000 guineas, has now been paid in, while the interest on earlier instalments more than covered the whole cost of the Centenary celebrations. As much as £86,000 of this Fund has been spent already, mainly in securing sites and depôts for the Society at important centres in the East—such as Shanghai, Hankow, Tientsin, Newchwang, Canton, Kobé, Colombo, and Johannesburg. The Fund has also

defrayed the cost of important structural alterations at the Bible House in London, which greatly increase both efficiency and economy at headquarters. Since these improvements were completed the Committee have welcomed at Queen Victoria Street many of their friends and allies in Christian service.

Acting on the best legal advice, the Committee have taken due steps to form an Association under the Companies' Acts for the

purpose of holding property on behalf of the Society.

While the Centenary Fund has, during the present financial pressure, helped to maintain the Society's work in certain countries, the bulk of it will be allocated—as previously stated—to definite special objects, involving capital expenditure but also relieving the Society's annual charges. The Committee desire to expend this Fund so as permanently to relieve some of the Society's heavy annual charges, and to avoid creating new expenditure which cannot be met from the Society's ordinary income after the Centenary Fund is exhausted.

The Year's Finance.

Expenditure.

The total payments from the General Fund for the year have been £221,609. This shows a reduction of £16,670 on the previous year, and of £31,850 on the year before; indeed it is ten years since the Society reported so low an annual expenditure. f.1,114 has been saved by still further concentrating foreign work and curtailing the number of foreign depôts, and £3,796 by other rigid economies. Colportage has also been reduced by £1,300. Moreover, in their resolve to avoid another deficit at all hazards, the Committee have spent £10,576 less than in the previous year on producing editions of the Scriptures. Indeed the fact that the Society expended this year £20,000 less than it did two years ago in producing the Scriptures proves how gravely its indispensable stocks of printed books are being depleted. This last and most serious reduction in expenditure was deliberately adopted, in the hope that a speedy increase of income would enable the stocks to be replenished before the effects of such depletion had been altogether felt. The truth is, we have

during this last year drained our stocks of printed books, just as in previous years we have exhausted our reserves of working capital.

Receipts.

On the other hand the General Fund receipts last year reached

 $f_{232,907}$ —an increase of $f_{2,075}$ over 1905–6.

Comparing the several items of this total we find that donations paid in at the Bible House fell off by £,1,548, but Collections and Subscriptions paid in at the Bible House rose by £785. Legacies increased by £8,938 and considerably exceed the average. The Contributions from Auxiliaries at home and abroad have risen by £3,200, reaching a total of £70,533. We note, however, that this encouraging growth appears almost entirely in Colonial Auxiliaries. Thus New Zealand has remitted £,1,487—an increase of £,424; while the newly organized Canadian Bible Society has augmented the contributions of British North America from £4,132 in the previous year to the splendid total of £6,287. The Society's income from its Auxiliaries in England and Wales seems almost stationary. Moreover the Society's total receipts from sales have shrunk from £,98,204 in 1905-6 to £,88,522; while sales in the Society's Agencies abroad are £1,198 in advance, home sales show a falling off of $f_{10,880}$.

After Eight Successive Deficits—a Surplus.

Payments and receipts under Special Funds raise the Society's TOTAL EXPENDITURE last year to £222,085, and the TOTAL RECEIPTS to £234,725, leaving a net surplus on the year's working of £12,640.

With devout thanksgiving we report this welcome break in the dreary deficits (amounting altogether to £119,000) which for eight years in succession have hampered the Society. Yet the present surplus of £12,640 is simply due to two items impossible to predict—nearly £9,000 extra in legacies, and £3,000 extra in Colonial contributions. We note that, omitting

these two items, the payments and receipts last year almost exactly balance. The figures prove that our Committee were absolutely justified in their cautious finance, their rigorous retrenchment, and afford no sufficient grounds for immediate expansion. The Committee are resolved that they will not expend in any year more than they can reasonably expect to receive. If the standard of two years ago is to be regained, the annual income must be strengthened by £30,000. The Committee, therefore, plead most earnestly for a steady permanent rise in the normal income from Home Auxiliaries. Apart from this, deficits will infallibly recur, and vitally essential work must inevitably be crippled.

Epilogue.

Because no work is more vital and more essential, our Society can appeal to all the lovers and worshippers of Christ, whatever name they bear. Christianity is the religion of the Bible. Christian theology finds its only norm and standard in the New Testament. Every victorious Christian experience draws from the deep fountains of Holy Scripture. The Church Universal can never be redeemed from corruptions and divisions—the Church's mission to evangelize the whole world can never be fulfilled—until the Gospel is brought within all men's reach in each man's mother-tongue.

As Lord Selborne said when he opened the Society's new depôt at Johannesburg last December: "This work of distributing the Word of God in every possible language among all races and in all climes surely is a work on which there can be no argument among Christians. In the course of ages we Christians have unfortunately developed a great faculty for differing in opinion. We differ in respect to the interpretation of Scripture; we differ as to the particular forms of Church government; and these differences of opinion have crystallized into what we call the different Churches. But on this one point—the dissemination of the Holy Scriptures—we are absolutely united, because there can be no possibility of doubt as to our duty."

The Staff.

At the beginning of this year the Rev. J. H. Ritson, one of the Secretaries of the Society, undertook a journey to the Far East, where he is visiting our Agencies in China, Korea, and Japan.

After forty years of missionary work in India, the Rev. S. W. Organe is returning to England from Madras, where he has done such devoted and successful service since 1875 as the Secretary of

our Auxiliary; in this post he is now happily succeeded by his son, the Rev. W. E. H. Organe. Mr. R. A. Adams has been appointed the Secretary of our Auxiliary at Bombay. We keenly regret that renewed illness has compelled the Rev. A. A. Cooper to resign the charge of the Egyptian Agency, which he has controlled since 1902. Signor Meille, for twenty-five years the Society's Agent in Italy, has retired, and is replaced by the Rev. R. O. Walker, who had previously represented the Society at Madrid and at Cape Town. We regret that the Society also loses the services of Mr. Leonard Thompson, Assistant-agent at Shanghai, and of Mr. Broome P. Smith, formerly Agent in West Africa and subsequently Sub-agent in Japan. The Rev. G. M. Clark has been appointed Secretary of the newly formed Queensland Auxiliaries' Union. The Rev. H. T. H. Wightwick has been appointed District Secretary in East Anglia.

The Auxiliaries.

At the close of 1906 the Society had about 5,940 Auxiliaries, Branches, and Associations in England and Wales. The District Secretaries' returns show that during 1906 as many as 4,789 meetings were held, and 2,938 sermons preached on behalf of the Society—an increase of 138 meetings and 370 sermons on the previous year.

Outside the United Kingdom the Society has over 2,000 Auxiliaries and Associations, mainly in the British Colonies. Many of these vigorously carry on Bible distribution in their own localities, besides sending generous annual contributions to the Bible House in London.

SINCE ITS FOUNDATION THE BIBLE SOCIETY HAS ISSUED NEARLY 204,000,000 COPIES OF SCRIPTURE.
